# G.W.V.A. DECLARE THEIR FULL AIMS

Want Railway Lands Expropriated - Only 2000 Homesteads Available.

# NON-POLITICAL

Sole Desire is to Safeguard Interests of Canada's Soldiers.

Bolshevikism has no place in the aims and objects of the Great War Veterans' Association, was the mes-sabe given by Wm, Turley, provincial secretary of the organization, at the People's Forum, in St. George's Hall, Elm street, last night. The Great War

said that the organization had been blamed at the time of the riots in Toronto, but it was a fact that the organization had absolutely no part in tion for all the smaller nations of the world, we have at last been accorded evaluations. Toganization had absolutely no part in Mayor Church congratulated the

they would vote as a body, not blindly for a moneyed autocracy such as ribes in the country today, but for such a democracy as they had been in touch with while overseas. For a government by the people is opposed to a government by the big interests. The experience of the Great War Veterans had taught them Great Britain is 100 years ahead of Canada in the matter of public ownership, the house matter of public ownership, the hous-ing problem and the protection of KHAKI COLLEGE working people. There is no liten-tion in England of handing back the railways and other national resources to the private interests that ran them

before the war. he said, after an investigation it had been found that there were only 2000 homes teads available for purposes within 15 miles of a ay which are in the hands of the government, while there are many usands of acres in the prairie provinces which are idle because owned the railways and other corpora- I

branch of the G.W.V.A., spoke brief in establishing the Khaki University by and said that the organization was overseas. On September 19, the determined not to permit any returned governor-general approved the report man to suffer injustice. They would concept rate their endeavors in the interest of Canada and serve the counment of a soldiers' educational detry after the war as they have dur- partment in Canada, with a director ing the war to the utmost of their and a deputy director.

G.W.V.A.'s efforts in granting discharged men only eight dollars as clothing allowance upon his discharge tablished for teaching trades, and those who had only elementary trainbeen raised to \$55.00, and even that ing were given every opportunity to was hardly enough to establish a man increase their knowledge. The rein civilian dress, with prices for clothes what they are today. The associational centres is shown by figures. From had also taken up the matter of the city insurance with the municipal sutherlites in the interest of the days and support of soldiers and support of soldiers and days and days and days and days are the strong in estimated at 180 and good work had been done in that di- 000, representing 45,000 individuals.

and the president of the People's rector, the organization will have an Forum, in Greenwood Brown, of To- advisory senate, consisting of reprewith the growth of the society. This adjutant-general's department, bership was increasing fast.

### EXPLODING GASOLINE

Mrs. Arthur Juke, age 46, and her son Arthur age 19, were taken to the General Hospital yesterday suffering from burns, received from a fire in their garage, at the rear of 102 St. Daxid street. According to the firemen Mrs. Juke had gone out to the garage, and the light being rather dim. Shealit a match, which exploded

Mayor would make no statement, preferring to wait until the board of police commissioners had discussed the matter next Tuesday. The men make no statement, as has been their wont in the past, but it is understood that if the grievance list is accepted The organization of the War Veterans' Association is non-political and mon-partisan. There are one hundred and fifty branches in Canada, 65 in Britain, and ten additional branches now under process of formation. The organization is working mation. The organization is working in Goldstick, chairman of the occreased from ten days to two weeks, the men claiming that they are the only civic department which does not

Detectives and sergeants..... \$1850 Patrol sergeants ............ 1650 First class constables ........... 1500 Second class constables ......
Third class constables ......
Acting detectives (after three

years) as follows: Detectives, acting detectives and constables detailed for any bodies, however, has yet been plain clothes duty to receive \$100 per found, and Capt. Leclerc, commander year for their plain clothes allowance Owing to the increased cost of clothing the men are of the opinion that thered the gale, Detective Staff.

1350

The list of grievances also include hose of the detective staff, who for a long time have been complaining of their long hours and other inconveniences suffered as a result of the inauguration of prohibition. Two nights a week off, in addition to the regular day off, is asked for the detective department. Another clause of the victims, floated ashore last calls for extra pay for any overtime work. In the past it has been customary where a man has been ill to Albert Wolan, both known to have only a portion of his wages. out of which was deducted the usual seven per cent for the pension fund.
The list calls for pay in full for time lost during sickness. The detectives ask that after five years' work as an acting detective full detective's pay be granted

For the months of duty the men ask that summer work be between the first of May and the first of November, and winter from November to May. the matter of promotion it is asked that all promotions be made for seniority, merit and ability. On recommendation of Deputy Chief Dickson the twenty-five cents per day extra asked for by the plainclothesmen has been granted.

President Charles Scott, it is understood, has not stood for re-election as president of the organization, and it remains to be seen what action will be taken by the newly elected officers next Friday.

Colonel Denison stated of Saturday

morning that the commissioners still stood firm, and the affiliation with the Trades and Labor Congress would not be recognized at any cost,

# NATIONAL LABOR TO LLOYD GEORGE

Letter of Appreciation for Premier's Part in Victory.

The National Labor Council of Canada has sent the following letter of appreciation to David Loyd George, premier of Great Britain: that this war has been brought to a sucessful conclusion, this council feels that it cannot allow this opportunity to pass, without extending to you, as representative of the people of Britain, its heartfelt appreciation of the glorious efforts and sacrifices which have been instrumental in obmen. Mrs. Juke had gone out to the garage, and the light being rather dim. she lift a match, which exploded the gasoline fumes in the garage, and ignited her clothes. Her son, hearing her cries, rushed to stamp out the flames. He succeeded partially, but had his hands badly burnt, while his mother received severe burns to the book.

Who are not on army pay will receive their remuneration. Besides the regular teaching staff, lectures will be delivered by members of the chaplain services and by qualified lectures of the Y. M.C. A.

Owing to the fact that much time during the pericd of demobilization would be lost to university students, and to others as well, the Khaki line. mother received severe purns to the would be lost to university students, and to others as well the Khak! Uniadequately appreciated. It is this appreciation, we believe, which has led to an invitation to Canada to par-
