Watts, Haywood, Gardner, Partridge, Hill, McCoombe, Cannon, Horrihan, McCowan, Jackson, Walton, McCowan.

St. Catharines (19)—Baumann, Manley, D. Harper, Plummer, McCawley, Wiley, Barber, Cannon, Macneil, Farnell, Doucette, Glass, Veale, E. Harper.

**Civil Service Athletic  
Club Elects Officers**

The annual meeting of the Civil Service Athletic Club was held in the parliament buildings last night, when reports were received showing the various activities of the different branches of sport participated in, bowling, tennis, baseball and hockey. The club now has eight hundred members, and is planning for a big year in 1920. It was decided to apply for membership in the Ontario Amateur Athletic Union. The following officers were elected for the ensuing year: President, Walter F. Trivett; vice-president, J. J. Kieran; secretary, treasurer, J. B. Proctor; executive committee, N. H. Crow, W. C. Cain, N. C. Englester, W. R. Ledger, Geo. Graham, McDevine, A. B. Gillis, auditors: H. D. Gillard, H. E. McNaughton.

**OSLER RECREATION CENTRE.**  
Athletics and soccer were the main features in the Osler Senior Basketball House League last night. Athletics taking the Indians into camp in the first encounter 40 to 27. Burns was the big noise for the winners, slipping them in from all corners. The Indians tried hard, but were unable to overcome the clever teamwork of the "Red Sox" team.

The second fixture was certainly not good basketball, but what the players lacked in ability they made up in enthusiasm. The Red Sox, after being down six points at half-time, came back in the last period and put over a 20-27 win. The White Sox deserve credit for their good showing, and if Captain Ramsey had not changed his team at half-time it is a question if the outcome would have been reversed.

**AQUATICS AT CENTRAL Y.**  
Aquatics will be the big idea at Central Y.M.C.A. on Friday night. Everything in the nature of a program, preparation for seating the spectators, and a proper ventilation system adopted to provide for a full house in Central's large natatorium. As this is the first attempt at a regular swimming meet since the war started, and in view of the coming Olympic Antwerp next summer when a full swimming program will be staged, the event is the sign of a "standing room only" will soon be on display. Many swimmers have been known to pay for the chance to test themselves in competition in view of the coming big games, they can offer to swim now, as Eddie Gallagher, Hamilton, Six rounds at 120 lbs.

Two items stand out, if it is at all possible to select one event better than another on the program, one is the 100-metre swim for the Hunter cup, for which event the best talent in Ontario has entered and should be worth going miles to see. The other is the water polo game, and those who know the excitement of such a game need no description.

Parkdale Rangers will hold an important business meeting on Friday night at 8 o'clock in the basement of 688 Gladstone avenue. All players of both teams are requested to be present, as business of the 2nd division team medals is to be discussed.

**PLENTY OF MATERIAL  
FOR HOCKEY CLUBS**

Varsity and Aura Lee Trot Out  
Big Squads—Hockey  
Notes.

Varsity and Aura Lee had their first whirl at the practice yesterday, and both clubs have a host of material. Nearly a hundred candidates want to play on the U. of T. senior teams. Seventy-five is about the number that would make sense on the junior outfit.

Varsity practised at the noon hour, and trotted out some likely-looking material. Westman, who hails from Ottawa, and who played with the Argonaut hockey team, looks like a real find. He burst around yesterday, and can easily be developed into a useful man. Leon Smythe and Samson, who were with the Varsity juniors in 1914-15, were out, and looked good. Feron, a former U. of T. senior, was back, and the following were some of the new men: Langley, goalie, from Winnipeg; Westman, McIntyre, from Renfrew; Carlew, from Lindsay; and a former chucker on the 63-star team; Ramsay, Boyd, late of Queens; Conn Smythe, Dales, Palmer, Armstrong, and Riley, were some of the most likely looking boys out yesterday. Jim Ross, the former Upper Canada player, is expected out today, when a new squad will be looked over.

Bill Marsden's Aura Lee practice was an eye-opener. Just forty-eight candidates were on the job for places on the senior and junior teams. Aura Lee will be well fortified in every position, and it will take some time to weed out the squad to reasonable size.

The seniors made a great array. Some of those out were: Jack Bennett; Clarke, the St. Pat goalie; Jess Spring; McCaffrey, late of Denison, and under the O. J. A. band; Hogarth, star of last year's team; Russell, Stephen, the former R.C. A.A. player; Wesman; McKay; good defence man, with the juniors; going overseas; Murray; Keith; Fyfe, last year with the juniors; Mitchell, Malloy and McDonald; a Chesley boy; Maw; MacKenzie is expected out next week, and Jimmy Green is also slated to be on the job.

The Aura Lee Junior practice had about thirty players out. Moore, the good goalie boy, was in one net, and McAllister were two St. Vincent's candidates. Some of the others were: Farrow, Armstrong, Phillips, from Malvern; Ritchie, late of Malvern; Young, from Oakwood; Hittman; Robinson, S. and M. Burt, of Malvern; Robinson, the St. Simon's lacrosse player; Sider of Seilwood; Huddell, Fullen, Heston, Solomon, Brown; Deacock, a goalie, and Ward.

A general meeting of the Toronto Hockey League will be held at Central Y.M.C.A. on Monday evening at 8 o'clock. Teams will be grouped in all the series and convenors appointed to draw schedules.

All clubs wishing to secure ice will notify the league where they will play, as the parks department will only issue permits to official teams of the league. Junior, juvenile and midget clubs are reminded that all certificates must be accompanied by birth certificates for "New Teams" and those wishing to offer their services as referees should phone Deach 0064.

The schedule for the Sifton cup games at Varsity will be drawn up tonight. Owing to the increased registration in the different faculties, it has been decided that both a senior and junior team must be entered in this series by Science, Victoria, Dentistry, Medicine and University College and all other faculties at least one team.
