

WOOD OPPOSES COERCION.

A HAMILTON LIBERAL ISSUES HIS MANIFESTO.

He Would Not Favor Any Sweeping Changes in the Conservative Trade Policy—Will McCarthy Candidates Be Put in the Field—Mr. Livingston Signs the Presidency of the Canadian Club.

Hamilton, May 22.—(Special.)—A. T. Wood, one of the Reform candidates, has issued a circular to the electors setting forth his views on the trade and school question. He is not in favor of any sweeping changes in the present trade policy, but affirms that any coercive measure introduced into the House of Commons should be met with unqualified denial, and he claims that Manitoba should have the right of free legislation. It is said that Mr. McCarthy will visit Hamilton next week, and endeavor to have two McCarthyite candidates placed in the field, which would likely result in the defeat of the two Conservative candidates.

Stuart Livingston, president of the Canadian Club, sent in his resignation this morning, his reason being that he wants to work for the Conservative candidates, and feels that he could not conscientiously do it while president of an independent club. He was nominated himself as a Conservative candidate. A meeting of the club will be called to consider the matter.

The police have discovered that Henry Michaels, who was sent to Kingston for highway robbery, has a record. He served a term in Detroit for horse stealing and was wanted in that city for other offences.

The new Salvation Army barracks at the corner of Hurlingham and Beccar Street, will be dedicated on Saturday evening at 8.30 by Commandant Booth and his staff. The services will be continued all day Sunday, and on Monday there will be troops from different parts of the province here.

When Mr. McKensie of Toronto, one of the Hamilton anti-Dundas Railway Company directors, returns from Europe, preparations for the transformation of the road into an electric one will be made.

The Army and Navy Veterans will attend divine service on Sunday.

The team to represent the Hamilton Cricket Club in its match tomorrow with Trinity University in Toronto will be: Gillespie, D. Martin, J. R. Wylie, J. Glasco, F. R. Martin (capt.), A. E. Purrie, White, Counsel and A. Mullin.

Hector Lewis, for selling candles in the market, contrary to the market bylaw, was fined 50 cents at the Police Court this morning, and Patrick Taylor, for shooting Tom and Jim McKelvey was allowed out on his own recognizance.

John Burke of Montreal was arrested this morning on a charge of stealing a coat and money from Ed Mc-

MR. FOSTER AT LUCAN.

The Minister of Finance says the Remedial Bill is only necessary to the Government's Trade Policy.

Lucan, May 22.—The Hon. G. B. Foster and Hon. Col. Tisdale addressed a large and enthusiastic gathering here this afternoon in the interests of Mr. W. H. Hutchins, M.P. There was not a building in the village large enough to hold half the crowd, and a large stand profusely decorated, was erected in the center of the square. The president of the North Middlesex Association, opened the proceedings in a brief but neat speech, after which an address of welcome was read by Rev. Armitage. Mr. W. H. Hutchins made a favorable impression in a speech dealing chiefly with the National Question and the Manitoba school question.

Col. Tisdale was then introduced. He confined himself almost entirely to the Remedial Bill, and handled the subject with such satisfaction that he was continually cheered throughout. Hon. Mr. Foster, after thanking the people for the kindly words addressed to him, made a telling address on the school question and the fiscal policy. He showed conclusively that the expenditure of the money which had increased the public debt, and gave the impression that the Remedial Bill was looked upon as a minor affair even compared with the general policy of the Government, which had done so much to make Canada the important nation she is to-day.

MCCARTHY GOES WEST.

The Leader of the Third Party Will Meet His Constituents of Brandon—West Toronto.

Mr. D'Alton McCarthy left for Manitoba yesterday, to open the campaign in Winnipeg and Brandon. While he is away his lieutenants in Ontario will try to keep up their end. Mr. A. F. Hunter informed the World that it has been decided to hold a McCarthyite convention in West Toronto about June 1. The advisability of running a candidate against Oler and Clarke will then be decided upon. Several proposed standard-bearers are spoken of, but nothing definite is yet known of the Third party's plans for the West, if they have any, which is doubtful.

WHO TITLED CHAPLEAU?

French Papers Arguing as to Which Premier Made the Recommendation—Candidates Nominated in Quebec.

Montreal, May 22.—(Special.)—La Presse and La Patrie, the latter being the recognized mouthpiece of Sir Adolphe Chapleau, are engaged in a wordy war over the Lieutenant-Governor's title. The first-named organ alleges that Sir Charles Tupper recommended the knighthood, and insinuates that the Premier known Chapleau was going to refuse to enter the Government, but that Sir Charles Tupper, in a letter to-day, La Presse replies that this is all nonsense, and that Sir Adolphe Chapleau owes his title to Sir Mackenzie Bowden, who was Prime Minister when the recommendation was made.

Conservatives have their candidates in all of the cities and rural constituencies on the island of Montreal, while the Liberals have not yet found an opponent to Mr. Leple, ex-M.P. in St. Mary's division.

Hon. Messrs. Tassell, Bergeron, MacMaster and others will address a meeting to-morrow in Valleyfield. There has been so much uncertainty regarding the counties in which the French Ministers will run, it is well to repeat that Hon. Mr. Desjardins

There are several hundred to go on Tuesday at 25 cents each to clear out the lot. We can't promise all the sizes, but think we can fit many of the early buyers.

LOUNT LOOKS YOUNGER

Since He Shaved Off His Whiskers for the Warm Weather Campaign—Organizing Centre Toronto.

The Liberals are giving themselves up for the fray in Centre Toronto, and the nominee of the party himself, in order to show a good example to his followers, has shaved off his beard, and now appears with moustache only, a rather changed and much younger-looking man. Mr. Lount, expects to have to do a good deal of talking during the next four weeks, and he got rid of his heavy hirsute adornment, so that he might the more easily manipulate his neither one. His supporters hope that the operation will not have the same effect as a similar one did on Samson of old.

The Liberals held a rousing organization meeting at the Central Committee rooms in Yonge-street last night. Mr. A. F. Rutter, president of the Reform Association, occupied the chair. The candidate delivered a short address outlining his position and urging his followers to work with a will. He was followed by Messrs. W. H. Hutchins, J. H. Hallgrave (con.), James Stewart and Richard Reynolds. Messrs. Hallgrave and Stewart stated that they were Tories once, but had been converted, and Mr. Reynolds observed that he found he had made a mistake in voting for Mr. Cockburn at the last election.

MR. WOOD DID NOT SHOW UP

And the Blenheim Conservatives Were Greatly Disappointed.

Blenheim, May 22.—The first Conservative meeting of the Kent campaign in the interest of Mr. William Ball was held in the Opera House here last night. The Hon. Mr. Wood, as well as other speakers, having been expected to be present, failed to put in an appearance. Sir James Grant, however, came to the rescue, and taking Mr. Whitney to address the very tentative hearing. The other speakers of the evening were Mr. Ball, the Conservative candidate, and Mr. T. W. Crother, Q.C., of St. Thomas. The meeting was unusually quiet, with but very little expression of enthusiasm, although the speakers were given an attentive hearing. The audience was evidently disappointed on account of the Hon. Mr. Wood's non-appearance.
