WILL ACCEPT \$1,100

Mr. Needham Makes an Offer to the London Township Council.

The contract for the concrete abut ments for the new bridge on Adelaide street north has been awarded by the London township council to Freeman Talbot, his tender being \$1,375. The contract for the steel superstructure for both the Adelaide street and the Medway bridges was awarded to Jenks

& Dresser, for \$2,075. The erection of the bridge on Adelaide street has been rendered necessary by the recent collapse of the structure while a threshing engine owned by Mr. Needham was crossing it. The council has not yet made a settlement with Mr. Needham, who has offered, without prejudice, to accept \$1,100 damages. Steps are also being taken by the London township council for the erection of a bridge on the fifth concession of London Township.

> throughout the whole Province. Are these leases going to be ratified by the Government? What are the terms of each and in what manner have the municipalities pelling the lessees to supply stated amounts of power, and rates at which such power shall be supplied? From

my knowledge, gained from newspaper

reports, there has been absolutely no

provision made in the leases whereby

the development companies have to supply the municipalities within reach with any power at all unless they so Then, again, who are the persons interested in obtaining these leases? The secret methods by which leases are being given out, combined with the past experience of the Ontario public in matters of this kind, create a suspicion that the Government is violating its own loudly announced policy of public

operation and control in the interests of those whom it desires to oblige. If Niagara power development is placed under the jurisdiction of the hydro-electric commission, why are not all the water powers of the Province also placed under its jurisdiction, so that at least a uniform and consistent policy can be carried out?

There is no use in urging that the Government's promises to the public are being fulfilled by giving out private franchises and endeavoring to control St. Petersburg, Sept. 21.—The official the rates by individual contracts with where we were before, namely, at the Whitney Government they should not The public is waiting for a definite
