

HEALTH BOARD TOLD OF EXCELLENT WORK OF ST. JOHN NURSES

Hundreds of Cases Were
Handled by Division
Staff.

According to a report on the work done during the influenza epidemic by St. John Ambulance Nursing Division, which was read by Mrs. J. F. Thomson to the board of health at its meeting yesterday afternoon about 1,000 cases were treated by the nursing division during the epidemic.

Excluding those at the Children's Shelter, between 500 and 600 cases were attended outside of the two hospitals. On October 1 the first call for aid was sent to the division. They had no beds at the time, but W. S. Leishbrook, proprietor of the Belvedere Hotel, came to the rescue and provided them with beds.

On October 19 Dr. Downham ordered that no more patients be admitted to the Talbot street hospital. On the day previous twelve patients had been discharged, and Mrs. Thomson was expecting to take in three more instead of them. However, owing to Dr. Downham's order, Mrs. Thomson was sent to the Victoria Hospital, and the other two to the Mallard street institution. These latter two died. Mrs. Thomson remarked to the members of the board that their change of recovery was diminished as a result of the delay in getting them to the hospital. All three of these patients had contracted pneumonia before reaching the hospitals.

41 Nurses Sent Out.
The summary showed that 41 nurses had been sent out by the division, and that 12 nurses were still on duty. Seven nurses desired to receive pay for their services. The nurses paid their own carfare or walked to the houses of patients which were within a reasonable distance. One nurse who did not go home, for fear that she might carry the disease germs to those at home, paid for a room and board out of her own pocket. Chairman E. H. Russell asked whether these nurses were registered.

Mrs. Thomson replied that some of them had gone to register, but she told that they belonged to the Institute of Public Health. The chairman said that he understood that some of the nurses worked right through until October 31 without registering. He also understood that they had received no recompense.

H. M. Douglas then asked the chairman if he thought there were 1,000 cases in the city which were unable to pay for treatment received.

Mr. Russell then turned to Miss Friend, who was accompanied at the meeting by Mrs. J. B. McKillop, and asked her what her experience was in regard to this matter. She stated that not 10 per cent of her patients could pay.

Outbreak of Hog Cholera.
A report from Dr. C. C. Tamplin stated that there was an outbreak of hog cholera in the city. The owner told Dr. Tamplin that he had fed the animals on grain, but not on cabbage. Dr. Tamplin stated that the hogs were well isolated.

Acting on the suggestion of Dr. Tamplin the board appointed Dr. A. Scott to aid him in taking samples of milk for test purposes. The chairman remarked that the Public Health Institute only charged 25 cents for a test, whereas the cost of each test amounted to 60 cents. Mayor Somerville declared that at a meeting of the board of control held a week ago, it had been decided to pay the institute \$1,000 for this purpose. The chairman then stated that who broke the orders of the board of health by selling infected milk and by using dirty bottles should be dealt severely, as such conditions might cause the deaths of infants.

Dr. Tamplin thought that those who broke the health rules should be punished by being ordered to close down their businesses until they lived up to the health rules.

CATHOLICS ARE TO MARK PEACE BY SPECIAL SERVICE

Bishop Fallon Makes Announcement—Change Is Ordered.

The Catholics of London will celebrate the end of the war and victory with a thanksgiving service to be held in St. Peter's Cathedral on Tuesday next. There will also be a memorial service on Wednesday next for the soldiers who have fallen. Bishop Fallon has announced the service. He also has instructed all priests to replace the war-time prayers of each mass with those of thanksgiving. The bishop's letters follow:

"A thanksgiving service on the happy termination of the great war will take place in St. Peter's Cathedral on Tuesday morning at 10 a.m. There will also be a memorial service for our dead soldiers at the same hour and place on Wednesday morning.

The circular to the clergy of the diocese of London:

"It seems certain that, by God's infinite mercy, peace has been restored to a distracted world. We must hasten with grateful hearts to offer Him the tribute of our thanksgiving. Henceforth, and until further notice, the 'pro tempore bell' will be replaced, rubrics permitting, by the prayers 'pro gratiarum actione' to be found in the missal immediately after the votive mass, 'De Sanctissima Trinitate'.

"At benediction of the blessed sacrament, the 'Miserere' will be replaced by the 'Te Deum' for the same period. These prayers are offered to Almighty God in token of proud or insolent triumph, but in an attitude of deepest humility and with the humble, heartfelt supplication that He may give about that from much sorrow and suffering there may come a deeper knowledge and a stronger love of Him, and thus the promotion of His greater glory."

PERMISSION NECESSARY
TO EMBARK FROM AN
AMERICAN SEAPORT

Under an order issued by the Secretary of State, Washington, effective November 11, 1913, all persons going from Canada to foreign destinations by way of United States seaports must procure permission for embarkation before leaving Canada.

Such permission may be arranged for by executing a declaration and procuring visa on passport before any of the American consuls in Canada, or by making formal application before any of the United States immigration officers located in Canada upon forms.

furnished by the said officers.

In order to allow sufficient time for
investigation, transmission of papers to
Washington, etc., applications should be
filed either with the consul or the im-
migration officer at least 17 days prior
to the date of proposed departure.

The state department invites special
attention of prospective travelers to the
fact that unless they have obtained visa
in possession of either the consular
or an American consul, the said depart-
ment must decide whether or not de-
parture from an American port will be
allowed, such decision being based upon
the application submitted through
the immigration officers. Passengers
are accordingly warned not to proceed
to the port of embarkation until they
are in possession of either the consular
visa, or proper certificate from the
United States immigration authorities
showing that permit for departure has
been granted.

The foregoing applies to all persons
not citizens of the United States, and
it is effective regarding all destinations,
including Mexico, United States insular
possessions, etc., but not including
Canada.

United States citizens seeking to pro-
ceed to foreign points are required to
have passports issued by the state de-
partment, application for same being
obtainable from the various American
consuls.

FIREWORKS AT LAMBETH.

LAMBETH, Nov. 12.—All Lambeth
and its surrounding residents turned
out last night to join in celebrating the
great victory. About 50 decorated auto-
mobiles paraded the streets, and boys
and girls in novel costumes made merry
with shout and song.

A great bonfire was erected on Broad-
way, and a fine program of addresses
was carried out, followed by fireworks.

MEMORABLE DAY.

DORCHESTER, Nov. 12.—Yesterday
was a most memorable day in the
history of Dorchester. At an early hour
in the morning the people were awak-
ened by the ringing of bells, whistles,
horns and all sorts of noises, and the
fun lasted all day.

"WESTERN ONTARIO'S ORIGINAL CUT-RATE DRUGGISTS"

Invite You to Their

FIFTH ANNIVERSARY

Thursday, Friday and Saturday, Nov. 14, 15 and 16

On November 14, 1913, you first heard of the Standard Drug, Limited. There was only one store, but it came to you with a promise of clean-cut, modern methods, with the highest quality drug merchandise at prices heretofore unknown in London. The fact that it lived up to that promise has, with your support, built up the chain of five bright, clean, well-stocked Standard Drug Stores, which now hold, without a doubt, the position as the premier drug business in Western Ontario. We feel proud of this marvelous growth, but prouder still of the fact that with this wonderful growth in size came a corresponding growth in your confidence. We have tried to deserve this confidence by offering the best merchandise the market can produce at prices that always

SAVE YOU MONEY
