CLYDESDALES FOR CANADA. According to The Scottish Farmer

some valuable Clydesdales have recently come to Canada. It says: Last week witnessed the opening of the St. Lawrence season, and the first considerable shipment of Clydesdales for the season of 1908. The Donaldson liner Athenia had various shipments aboard. Messrs. A. & W. Montgomery, Nether-hail and Banks, Kirkcudbright, sold and shipped to Robert Ness, Howick, Quebec, three well-bred horses. One is a 4-year-old by the well-bred Alexander Everard, advertised in our columns, out of a choicely-bred mare by Baron' Pride. The other two are 3-year-olds, one being got by the good breeding horse Baron Hood (11260), a son of Baron's pride; while the other is out of Baron's pride; while the other is out of a Baron's Pride mare. As these are wanted for this season's work, the trade is opening very well. Peter Crawford, Dargavel, Dumfries, sold to Thomas Mercer, Markdale, Omt., three well-bred statilions. One is the 3-year-old Royal Clendrie (14440), by King's Royal (13571), a horse which bred good stock in the Rhins of Gallloway. He is out of a very good breeding mare at stock in the Khins of Galloway. He is out of a very good breeding mare at Clendrie, got by Craichmore Darmley. She has bred quite a lot of good stock. Another is Golden Luck (12167), a sixyear-old, by the good sire Gold Mine (9540), whilst his dam was by The Scott (10015). Bred in the Penrith district, he is up to size. The third was Rewallan (13159), a big, straight horse Rowallan (13159), a big, straight horse rising four years. He was bred at Noranbank, Forfar, and is by the noted sire Lord Fauntieroy (10370), out of a dam by Dae ye See (9896). A. Crawford, Broughton Mains, sold and shipped a well-bred 3-year-old horse, by Broughton Chief (12009) to John Vance, Tavistock, Ont. His dam was by the big prize horse Copestone (10723), by Priruss, which won many prizes. The riss, which won many prizes. The biggest shipment was made by Thomas Dickson, Seaforth, Ont. an old-timer, who was here and selected his own horses. From James Picken, Torrs, Kirkcudbright, he had the big, well-bred stallion Cannyman (10323), which

is a horse of great weight and sub-stance. To Neil Smith, Jr., Brampton, Ont., Mr. Picken sold a big Cumber-land-bred colt, by the great horse, General French, which won several first prizes and premiums. A GOOD TIME TO STAY IN.

growing of first-class seed grain.

To encourage the practice of growing seed for next year's crop in a field by itself, using only the best obtainable seed, sowing it on the cleanest and best prepared land, allowing it to ripen, and threshing and storing it separately.

To obtain pure seed, i.e., free from other varieties, the presence of which can best be detected when the c.op is and breeders are asking such high prices they cannot be marketed by the dealers at any profit. Parties having horses of any kind to dispose of will find a ready market at the Union Stock Yards Horse Exchange. Prices ranged for draughts, choice, \$160 to \$210; seconds, \$130 to \$165; choice, \$160 to \$120; seconds, \$130 to \$165; choice, \$160 to \$120; seconds, \$130 to \$165; choice, \$160 to \$120; seconds, \$130 to \$165; choice, \$160 to \$125; a number of ponies were sold on Monday from \$35 to \$140, and two pairs of ponies with outfits at \$275 and \$325 each. Serviceably sound horses of all classes sold from \$25 to \$95.

Northwest trade is still slack, but more horses are required yet. This trade is probably slack on account of this being seeding time. However, there is still a good fair demand for wagon horses and drivers in Toronto.

AUCTION SALE OF CANADA'S GREATEST HERD OF

HEREFORDS Shorthorns, Grade Cattle

Will Be Held at Forest View Farm, May 13, '08 Close to the Town of Forest, Ont., on the main line of the G. T. R., 26 miles east of Sarnia.

This great herd comprises 40 Herefords—34 females and 6 bulls; 10 good Shorthorns, and 15 Grade Cattle. At the head of the Hereford herd stands the great stock bull, Imperial—2034 Canadian, 160500 American Herdbook—having won 21 first prizes. This great bull is not only a prize winner, but sire of the junior herd and herd of best four calves, junior champion bull and junior champion female, at Toronto, London, and seven other fairs in 1907; also sire of the heifer, Pansy, that won sweepstakes at Guelph, in 1906. This is certainly a great record for a herd bull. At the head of the female list is the great show cow, Forest Lady (1437), the grand champion female, any age, at Toronto, London, and seven other fairs. This is the heaviest cow in Canada, any beef breed, weighing 2200 pounds. This is the greatest herd of good stuff, we believe, on either side of the water. Don't fail to attend the sale and get one of the best. Terms of sale: 6 months' credit on furnishing approved joint notes, or 6 per cent. off for cash. Proprietor, FOREST P. O., ONT. Apr. 21, M1,8
