nothing in it. The reduction of fares and the awarding of commutator privileges is purely a local affair between the two companies. There will be no lusion, and it remains to be learned which company will hold out against the demand of the people, and maintain the discrimination which the railway commission has denounced the more stubbornly.

It is now up to the people along the line to make much use of what has been provided and make good their representations.

Nominations a Detriment.

Brampton was handicapped yesterday in making a good showing, from the fact that the general nomination committee held out against the nomination of people at home. Meadowvale furnished five passengers, Streetsville six, Erinville five, Cooksville twelve, Hamilton two, Lambton Golf Club thirteen and Lambton one. In all, there were fifty passengers. That the motor is going to prove capable and reliable there can be little doubt. The C.P.R. officials are almost converted to believe it already. On London ... 0 1 0 0 2 0 0 3 8 6

Has Two Engineers.

While the motor is made, the motor is manned by two engineers—William Pickrel of Toronto and Steven Smith of Montreal. The latter has charge of her when she goes to the bad as a fuel oil burner. He has every confidence that there will be no trouble with the coal and he will soon be taken off. The fireman is Albert Weil, who identified Steffen Swyryda, the man accused of murdering Oleck Lutzack in Toronto. The fireman is in charge of Conductor Joseph Edgar, who says she rides "as smooth as a cradle."

Hamilton Nominations.

The following nominations for the legislature were nominated to-day: East Hamilton—J. J. Scott, K.C., Conservative; Allan Studholme, Labor; W. M. McClelland, Liberal; M. Gordon, Socialist. West Hamilton—Hon. J. S. Hendrie, Conservative; W. H. Wardrop, K.C., Liberal; William Mackenzie, Socialist. Mayor Stewart nominated Col. Hendrie and appealed to the electors to support him and the Whiteley government on account of their power policy. He also advised the ratepayers to get after the aldermen who were juggling with the power question.

BOYS' CLOSE CALL.

Jack Kirby, 15 years, 27 Water-street, who works at the Yokes Carriage Co., was struck by a Dundas car at Queen and Simcoe-streets at 5 o'clock yesterday afternoon. He was cut at the head and removed to St. Michael's Hospital. The boy was under the tender when he was struck, and the car had to be backed to release him.

Morning Cough, Bad Breath.

Miss Counter of Windsor, Ont., says: "I contracted a heavy cold that settled on my lungs and resisted all treatment. After I had tried several doctors here and specialists in Detroit without benefit, I went to my druggist, Mr. D'Avignon, and asked him for the best remedy he had for cold on the lungs. He recommended Catarrhose, which cured my cold in one week. It brought back my voice, and I have ever since been free from my old trouble. For coughs, colds and lung trouble I am sure that Catarrhose is the best remedy. It goes right to the spot, gives quick relief and makes a lasting cure." (Signed) M. Counter.

QUOTED THE SPECTATOR IN AN ATTACK ON BECK

Did Liberal Speakers at the South Wentworth Nominations—Trying to Rescue Cannon.

HAMILTON, June 1.—(Special).—The street railway sub-committee and Col. J. M. Gibson and W. C. Hawkins had another session this afternoon and came to an agreement on a majority of the points in the proposed new deal. Another session will be held Tuesday morning. The company does not want to build a line on Bold-street and wants all future extensions left to the discretion of the company. The full committee will meet Wednesday evening.

The market committee awarded the tenders for repairing the city stoves property north of the City Hall. The work will cost about \$1800.

South Wentworth Nominations.

At the South Wentworth nominations to-day the Liberal speakers quoted the Spectator in their attack on the power policy of the government and the nomination of James W. Beck. The nominations were held in Vosper's Hall and J. T. H. Regan, Conservative, and Daniel Reed were nominated. Mr. Reed attacked the government because he said it had not closed up all the pool rooms and bucket shops, had not prosecuted the Orangeville illegal operations and because Ancestor's petition for action against the little thieves had not been acted upon.

Hamilton Nominations.

The following nominations for the legislature were nominated to-day: East Hamilton—J. J. Scott, K.C., Conservative; Allan Studholme, Labor; W. M. McClelland, Liberal; M. Gordon, Socialist. West Hamilton—Hon. J. S. Hendrie, Conservative; W. H. Wardrop, K.C., Liberal; William Mackenzie, Socialist. Mayor Stewart nominated Col. Hendrie and appealed to the electors to support him and the Whiteley government on account of their power policy. He also advised the ratepayers to get after the aldermen who were juggling with the power question.
