TORONTO FRUIT MARKET. Receipts Light and Prices a Little Firmer Yesterday.

Receipts of fruit at the wholesale market yesterday were light. As a result prices in some lines were a little firmer, In the afternoon city dealers were on he market to meet the afternoon special fruit train, when everything of choice quality was readily picked up. Dealers complain that this train, which is due at 1 p.m. daily, is generally from 1 to 2 hours late, leaving little time for distributing the fruit over the city to the consuming public. Dealers reported prices

KING EDWARD'S APPRECIATION.

The Radnor Water Company Honored.

A cable has just been received at Montreal from London containing the information that The Radnor Water Company have been appointed purveyors of Mineral Water to His Majesty, King Edward, by royal warrant.

It is indeed most gratifying to learn that a purely Canadian product wins such a high mark of royal favor.

It will be recollected that when His Rayal Highness the Prince of Wales passed thru Canada as Duke of York, his special train carried a large supply of Radnor Water, and from this passed thru Canada and from this passed thru Canada and from this passed train carried a large supply of Radnor Water, and from this passed thru Canada and from this passed train carried a large supply of Radnor Water, and from this passed thru Canada and from this passed thru Canada and from this passed train carried a large supply of Radnor Water, and from this passed thrus canada and from this passed thrus canada and from this passed train carried a large supply of Radnor Water, and from this passed thrus canada and from this passed train carried a large supply of Radnor Water, and from this passed train carried a large supply of Radnor Water, and from this passed train carried a large supply of Radnor Water, and from this passed train carried a large supply of Radnor Water, and from the canada and from the canada and from the canada and the first passed train carried a large supply of Radnor Water, and from the canada and from the canada and the first passed train carried a large supply of Radnor Water, and from the canada and from the canada and the first passed thrus canada and the first pa

proached by Lead, who tried to entice her away. He later attempted to drag her toward an old bridge, and when the child cried for help struck her repeatedly in the face with his first, stunning her, after which he carried her under the bridge. Her screams had been heard by some women picking berries near, and on their appearance the ruffian cleared out. The child was carried to her home and medical aid summoned. The county medical aid summoned. The county police were immediately notified, and the search has been carefully kept up until this morning, when his capture was effected. Lead made little or no resistance. Lead is about 16 years of age, nearly six feet tall and is said to reside in the west end. In the after-noon he was arraigned before Police Magistrate Ellis and remanded until

July 22.

The Sunday schol of Zion Baptist Church held a pleasant picnic at Bend's Lake to-day.

This was a resolution passed at the brand of health meeting to-night, when Dr. Gilmour, M.H.O., stated that the police, who were recently appointed sanitary inspectors, have never yet reported for duty or even communicated with him regarding what work they might be supposed to do.

The board also passed a resolution recommending to council that Mr. Ward's salary as sanitary inspector for June, amounting to \$41.66, be paid.

The M.H.S.'s report stated that there were 2 cases of scarlet fever, 2 of diphtheria and 27 cases of typhoid fever in West Toronto during the month of June.

"Unaffected" was the most recent report of the analyst after an examination of West Toronto water.

The County Orange Lodge of West Ycrk is going to have a busy time at MIMICO.

Pork MILLS, July 9. — (Special.) —

A serious accident happened yesterday to Miss Emma Smith of the York Mills hotel. Miss Smith was carrying a basin when she tripped and fell, in her fall breaking the basin, a sharp piece of which severed some of the arteries and veins in her wrist. The wound bled profusely and Dr. Doherty, who was hastily summoned, work in staunching the flow of blood and dressing the wound. Miss Smith is very weak, but Dr. Doherty is hopful that no serious results will follow. The lady in question has been associated with the Yerk Mills hotel for twenty-five years and is well and favorably known to the guests and others.

PREMIER WHITNEY'S OPINION.

THE ENLARGEMENT OF T HREE CANADIAN PROVINCES.

SHADED PORTIONS

PROVINCES

INDICATE TERRITORIES

ADD TO

N. W. TERRITORIES

Hon. Mr. Whitney sees no great act of charity in the Dominion Government's legislation to extend the boundaries of Quebec, Ontario and Manitoba.

"With reference to the so-called extension of boundaries," he said yestension of boundaries," he said yestension of boundaries, he said yestension proposed is effective, Quebec will be nearly this means a parceling out among certain provinces of certain territory now held by the Dominion. It does not mean that any provinces receive anything as a matter of right.

"I observed the divisions as proposed by the government at Ottawa. I would rather not say anything at present except that I am not surprised at the attitude of the Dominion Government towards the Province of Ontario and Manitoba by about one hundred thousand spare with its 354,961 square miles, more than doubling the size of the province, and giving it an area of over 705,000 square miles, making the total 350,000 square miles, making the total 1350,000 square miles, making the total 175,000. Manitoba by about one hundred thousand spare with the given province, and giving it an area of over 705,000 square miles, making the total 175,000. Manitoba by about one hundred thousand spare with the given province, and giving it an area of over 705,000 square miles, making the total 350,000 square miles, making the total 175,000. Manitoba by about one hundred thousand spare with province, and giving it an area of over 705,000 square miles, compared with British Columbia's 372,000. Ontario is to be enlarged by about one hundred thousand spare with province, and giving it an area of over 705,000 square miles, compared w

Probate has been asked for the estate of the late Mrs. Jamet Thomson, a widow who died on May 11 at Markham. The estate totals \$849.11 and is divided among her six sons and four daughters. The executor is Gilbert this one of the greatest military and this one of the greatest military and naval pageants seen in modern years. Tickets good going July 18th to 25th.
