The Robert SIMPSON Company Limited

Today in the New Market

The test for the meats sold here is always the same, namely—"Is it the best?" Only the best can find its way into our market, and people who believe in the quality test will always be pleased with meats and provisions from Simpson's.

Cooled, water-washed air is constantly being circulated throughout our market, making this a delightfully comfortable shop to visit during the hot weather. Meats are displayed in glass case refrigerators, which are always kept at an even temperature. Particular people will find Simpson's market to their liking. Prices for today:
