Major Thomson Killed.

Major B. K. Thomson, reported killed in action, was a son of T. C. Thomson, barrister, and formerly lived at the corner of Bedford road and Bloor street. He had no previous military experience and enlisted with the 1st Canadian Mounted Rifles, and attained his majority at the front. He went thru many severe engagements.

After returning to duty from a few days' furlough to England, Lieut. Arthur Middleton was killed in action on September 14. To a sister-in-law, who resides at 273 Silver Birch avenue, he sent a crushed rose which he found while passing thru a war-shattered village. His wife and infant son are in London, England. He was an American and was in the real estate business out west. At the outbreak of the war he sold out his business and enlisted with a Fort Garry regiment. His parents are in Chicago.

Lieut. H. E. Munro, 68 South Drive, Rosedale, went overseas with the 34th Battalion. On arrival in England he was transferred to the 12th Reserve Battalion of England. Last October he was sent to the trenches with an Ontario battalion of the 2nd Division. He was a member of the Queen's Own and is 26 years of age. A brother, Lieut. William Munro, leaves in a draft shortly for England.

Graduate of University.

Capt. W. D. Whittemore, now wounded in a London hospital, was born in Toronto. His parents live in Chicago, but Capt. Whittemore, who is a graduate in medicine of the University of Toronto, practiced here before going overseas with an Ontario unit.

When the second contingent left Toronto, Lieut. H. J. Wood, reported wounded, went overseas with the Mississauga Horse. He was transferred, and for good work on the battlefield was given a commission in the 21st Battalion. He was born in Port Hope, and a sister lives at 49 Dearborn avenue. Another brother, Lieut. F. H. Wood, was taken prisoner by the Huns at Zillebeke.

Mrs. Grant, 9 Page street, received a telegram notifying her that her son, Lieut. C. A. Grant, K.C., of Edmonton, was severely wounded in the left arm on September 17. He has been removed to a hospital at Etaples. Lieut. Grant joined the 5th University Company reinforcing the Princess Patricias. He was in France in June and later left for the trenches.

Three years ago Lieut. J. Duncanson came to Canada from Glasgow, Scotland, and lived at 71 Geoffrey street. When war was declared he resigned his position with the Parisian Laundry and enlisted with the 36th Peel Regiment.

Lieut. G. Mills Wounded.

During the great advance on the Somme front, September 14, Lieut. G. Mills, 89 Glen road, was wounded by a poisoned gas shell. He was taken to the Stationary Hospital at Boulogne and later removed to a hospital in London. Two brothers are on active service. He went overseas as assistant-adjutant of the 74th Battalion.

Capt. George L. Watt, 75 Roxboro drive, was wounded on September 15. In a telegram received by his father he says his wounds are not of a very serious nature, and he expects to return to duty at once. He enlisted with the Mississauga Horse and was later transferred. Two step-brothers are at the front.

Son of Dr. Machell Killed.

Lieut. Maurice Machell, son of Dr. Machell, 216 St. Clair avenue, has made the supreme sacrifice for his country. The lieutenant had been in the trenches three months, and was killed in action on September 15. He went to England with the 19th Battalion and took his commission there in 1915. Later he went to the front with another infantry battalion. One brother is still at the front and another is home ill from England.

Lieut. Blythe Sinclair, 78 Pleasant boulevard, is in a hospital in England with a gunshot wound in his shoulder. He went into action with a University company in the fall of 1915. He took out his commission at Shorncliffe and was later appointed to take charge of a machine gun section. He has a wife and two children living at the above address.

Suffering from a gunshot wound in the chest, Lieut. J. H. Mitchener, 108 Heath street, has been removed to a base hospital. The lieutenant holds a captain's papers and went overseas with a University corps. He trained in England for some time and went to France in June.

No further particulars have yet been received in the case of Lieut. B. J. Bethune of 26 Oriole Gardens, than the official telegram which stated he had been wounded in action. He was in the trenches since June and has four brothers at the front.

Lieut. Malone a Lawyer.

Lieut. Thomas Malone, 255 Albany avenue, reported wounded, went overseas in April, 1915, with an Edmonton unit. He was practising law there at the outbreak of war. He has been admitted to No. 14 General Hospital, Boulogne, suffering from concussion of the arm and shoulder.

Sergt. T. F. Fraser, reported wounded, went to the front with the 5th Highlanders of the 1st contingent. The sergt. received his stripes for bravery when he captured 15 Germans alone. He is suffering from gunshot wounds in the back and arm. His mother lives at 91 Hiawatha avenue.

Sergt. Herb. Knapp is at a hospital at Estaples suffering from a gunshot wound in the arm. His brother lives at 40 Hiawatha avenue. He was a carpenter by trade and went over with the first contingent.

Pte. Charles Cuyler was killed in action on September 7. He went overseas with a draft from the 75th Battalion and has been in the trenches since last April. His sister lives at 3 West Charles street.

Premier Hearst's Son Wounded.

Lieut. Howard V. Hearst, son of Premier Hearst, has received a gunshot wound in the arm. The premier, who is still in England, wired to his wife at 80 Glen road. Nothing further has yet been made known.

Pte. F. W. Bauckham, 19 Algonquin avenue, is suffering from shell shock in a Boulogne hospital. He went overseas with the 35th Battalion.

Lieut. Allan McGiffin has been wounded, and is in a hospital at Lenport. He is a well-known newspaperman, and went overseas with the 37th Battalion.

Wounded for a second time, Pte. Harold Campbell was removed to No. 2 General Hospital suffering from a shrapnel wound in the head. He was wounded on September 11 and went overseas in April, 1914, with the 35th Battalion.

FROWNS ON WIDE OPEN SUNDAY BAR

Hotelmen Must Exercise Discretion in Sabbath Sales of Soft Drinks.

COMMISSION'S WARNING

Loose Conduct Will Place the Offender in Unfavorable Light.

The Ontario License Board will be inclined to view with disfavor excessive sale of soft drinks in standard hotels on Sunday. Vice-Chairman Dingman said yesterday that while the board had not laid down any regulations with regard to the time when bars might remain open, they would be inclined to think that, unless the hotelmen exercised discretion in the matter of sales on Sunday, that the hotelmen were going further than public opinion warranted.

The board was not discussing the question from the ground of Sunday observance. That would probably fall in the jurisdiction of other authorities. The board's warning is taken to indicate that the hotelman who allows his bar to be run wide open on Sunday will place himself in an unfavorable light with the board.

Granting Licenses.

When asked as to the contention of City Solicitor Johnston that the municipality had no right to grant licenses to hotels which have been refused standard licenses by the board, Mr. Dingman pointed to the standard license clauses in the act, which provide that "the keeper of a standard hotel shall be entitled to sell all non-intoxicating drinks and beverages, cigars, cigarets and tobacco and to conduct an ice cream or general restaurant or cafe without further or other license," and that "the keeper of any hotel, inn or house of public entertainment not so licensed as aforesaid shall not sell or traffic in any of the articles mentioned in the preceding section."

Mr. Dingman was of opinion that the latter clause prohibited the city from granting a license, which would override this provision.

According to the strict letter of the law, which specifically excludes from the class of "dwelling house" where liquor may lawfully be kept and house used "as a boarding house or as a lodging house where there are more than three lodgers other than members of the family," it would appear that it is illegal to keep even a flask in case of accident or sickness in such a house.

However, it is generally understood that the intention of the act is to preclude the serving of liquor at table in houses where meals are given to others than members of the family.

BROADVIEW BOYS' ANNUAL FALL FAIR

Fifteenth Event Featured by Unusually Large Number of Exhibits.

GREAT SKILL SHOWN

Officials Will Give Lectures to Parents at the Fair.

Featured by a total of 1600 exhibits, the largest number in its history, and manifestation of the greatest interest both by members and by patrons of the association, the fifteenth annual Broadview Boys' Fall Fair was informally opened for three days before an attendance of approximately 1000 people at the Broadview branch of the Y. M. C. A., last night under th eauspices of the board of thirty directors.

The fair is the largest event of its kind in North America, and probably in the world, and annually attracts the attention of Y.M.C.A. officials, members and persons interested in religious movements all over the country.

This year the fair includes exhibits from 500 boys, and entries from the T. Eaton Company, as exhibition by the Graphic Art Society, the Canadian Kodak Co., the provincial government.

Planned and Arranged by Boys.

The annual fair is planned and arranged by the boys working under the direction of the thirty directors, who are about 18 years old. The event is supervised by H. W. Kingerley.

Following the speech by Mr. Rees last night an oratorical contest in which sixteen entries participated, was held. Thruout the three days' event there will be contests of various kinds, athletic competitions and the judging of the exhibits for the award of prizes, which will be distributed a week later. The boys secured by prize money thru direct appeal to Toronto business men, and other persons interested in association work.

The exhibits include 16 ponies, about 232 chickens and roosters, approximately 300 pigeons, dogs, rabbits, guinea pigs, goats, mice and rats; the domestic science exhibit consists of pastries made by the boys and there are also vegetables and flowers. An unusually interesting division of the exhibition is that containing the aeroplanes (hand-worked) some which fly from 300 to 500 feet on their own power, rising to a height of about 50 feet, submarines, derricks, steamships and other miniature exhibits. The manual training exhibits also show evidence of remarkable skill.

The directors head the various departments into which the fair has been divided, have decorated the booths and selected the judges, who have already begun their work. One hundred and fifty boys besides those who are exhibiting were organized to promote the fair, and arouse interest among the adults of the city in the event.

Will Explain Advantages.

In connection with the fair a booth has been set aside for the use of the association officials, who will take advantage of the opportunity to speak to the parents during their visit at the association building of the need of obtaining membership for their sons. Books and literature on the training and educating of boys will be distributed for perusal.

Each evening there will be a directors' luncheon. Harry Ryrie will speak before the meeting of the directors tonight, and H. C. Hocken will speak at the Saturday night luncheon.

Capt. J. W. Beaton, who sent a cablegram from overseas service wishing the success of this year's fair, is honorary president, J. B. Brodie is past president, J. M. Booth is president and J. Clifford vice-president. The managing director is H. Jennion.

WHEAT RALLIES ON EUROPEAN BUYING

Market Closes Firm and Fraction Higher at Chicago.

OAT PRICES DECLINE

Expectation of Heavy Exports Creates Renewal of Strength.

CHICAGO, Sept. 21.—Wheat prices rallied today, largely on account of European buying, which developed after a decline to more or less lower quotations at Liverpool. The close was firm, at $1.50⅝ for December and $1.53¾, with the market as a whole ¼c to ⅜c up, as compared with yesterday's finish. Corn closed ⅜c down to ⅝c up; oats at a loss of ⅛c to ⅝c, and provisions ranging from 12½c decline to a rise of 10c.

Depression ruled in the wheat pit until suspicion was aroused that Liverpool quotations had been lowered to facilitate European buying in the United States. European advices gave a different reason, namely, that increased shipments were expected from Australia and Argentina. There were reports also of rains in Argentina, where of late a serious drought has prevailed. As soon, however, as gossip spread that the break in Liverpool quotations was artificial, and mainly for effect on this side of the Atlantic, the market here began to harden.

Sudden drying-up of wheat offerings resulted, and estimates were current that fully 70 per cent. of European purchases in the last few days had been of wheat grown in the United States. Announcements were made just before the close that vessel charters for Europe during the day had reached an aggregate of 800,000 bushels.

Corn swayed with wheat, especially in the last part of the session. Oats sagged in consequence of a lessening of export sales. Weakness, tho, was checked in a measure by spreaders, who were purchasing oats, and at the same time selling corn.

Lower quotations on hogs carried down provisions. After a moderate setback, however, good buying developed, and brought about a reaction, particularly in lard.

WINNIPEG GRAIN MARKET.

WINNIPEG, Man., Sept. 21.—Winnipeg wheat closed ⅛c to ⅜c higher to ¼c lower, with October at $1.53⅝, November at $1.52¾, December at $1.48¼, and May at $1.49⅝. Oats were ¼c to ½c higher, with October at 51¼c, December at 48⅞c, and May at 52¼c. Flax closed 1c to 1¼c lower, with October at $1.90¼, November at $1.90, and December at $1.90¼.

Option trade was almost entirely confined to the scalpers. There was no export whatever, and the trading of the entire morning was within narrow bounds. There was a fair trade in oats, and a slightly increased interest in flax, the latter due to reports of blight, as well as frost damage, to the north and central Saskatchewan areas.

Cash demand was moderate thruout the day, both for contract and lower grades. No. 1 northern carried a premium of 5c over the option, and the price for No. 6 wheat advanced 2½c. Offerings were light.
