

Just in Time To Save Lives

The visitor was ushered into the little living-room. Through a back window one glimpsed three children busy over mud pies.

Some months previous to that both had developed tuberculosis. Future health — life, indeed — depended on

prompt measures. Yet, if the husband had stopped earning, how could they live? Their despair had been tragic. In just such cases the "Muskokokee Free" fulfills its mission. Husband and wife were sent there and given every care. Grandmother, with financial help from the Samaritan Club, kept the children. Today, they are home again, cured.

young wife, gratefully, a tender light in her eyes as she glanced at the little mud-pie cooks.

to ascertain the desirability and practicability of legislation providing for the payment of allowances to mothers who were widows, or whose husbands were unable to support their families. The minister of labor, acting upon this report, introduced and carried

thru the house the mothers' allowance act, which provides for the payment out of such moneys as may be provided from time to time by the legislature, of allowances to widows, the wives of inmates of the hospital for the insane, or permanently d

abled men, where the mother is resident with her children, two or more of whom are under fourteen years of age, and has not adequate means to care for them without assistance under the act. The persons receiving the allowance must be resident in Ontario.
