

EXTRAORDINARY CURE
BY
Holloway's Pills & Ointment!
OF A CASE IN
PRINCE EDWARD ISLAND.

Extraordinary case of the efficacy of the use of the above Medicines:—

HUGH McDONALD, of Lot 55, in King's County, hereby certifies, that a most wonderful preservation of his life has been effected by the use of HOLLOWAY'S PILLS AND OINTMENT. I was very much afflicted with ulcerous sores in my face and leg; so severe was my complaint, that the greater part of my nose and the roof of my mouth was eaten away, and my leg had three large ulcers on it. I applied to several Medical gentlemen, who prescribed to me, but I found no relief. My strength was rapidly failing every day and the malady on the increase; when I was induced to try Holloway's Medicines. After taking two or three boxes, I experienced so much relief, and found the progress of the disease was so much arrested, that I was enabled to resume my ordinary labours in the field. The sores which were so disagreeable and repulsive to behold are now nearly all healed. Having received such truly beneficial aid, I feel myself bound to express my gratitude to the person by whose means I have thus been restored from the pitiable and miserable state I was in; and for the sake of humanity make known my case, that others similarly situated might be relieved.

This declaration made before me, at Bay Fortune the 3d day of September, 1845.

HUGH McDONALD.

JOSEPH COFFIN, J. P.

The above case of Hugh McDonald of Lot 55, came personally under my observation, and when he first applied to me to get some of the Medicines, I thought his case utterly hopeless, and told him that his malady had got such hold that it was only throwing his money away to use them. He however, persisted in trying them, and to my astonishment, I find what he has aforesaid stated to be perfectly correct; and consider the case to be a most wonderful cure.

WILLIAM UNDERHAY.
