DRY GOODS, CARPETS

GENTS' FURNISHINGS,

Woollens and Fancy Goods,

Wellington St. and Front St. E. Toronto, and Manchester, England,

Beg to call the attention of the trade that to the combined efforts of expert Departmental buyers, going to Britain twice a year, and a resident staff there, they are enabled, by watching the home markets thoroughly, to contract and purchase lines of goods not obtainable elsewhere.

They can confidently assert that no house in the Dominion has elaborated and systematized their business to such an extent as they have. The effect and consequence are that year by year the trade constantly and uniformly increases.

The stock is always large, varied and constantly supplemented by new purchases of the latest novelties and value.

They Solicit an Inspection at all times.

Letter orders, or orders through travellers, receive prompt and careful attention, but personal inspection is solicited.
