### RECENT DEATHS

#### Lieutenant-Colonel Paget.

A cable message announces that Lieutenant-Colonel Albert Edward Paget died on Thursday in London, where he was removed from a hospital in France, after he had been ill there for some months. He was the son of General Sir Arthur Henry Paget.

Albert Edward Sydney Louis Paget, M. V. O., was born on May 28, 1879, and entered the army in 1900, when he was sent into service in South Africa. For this service he received later the Queen's Medal with four clasps. He was afterwards aide-de-camp to the lord-lieutenant of Ireland, and then became adjutant of the Eleventh Hussars, serving from 1900 until 1908. He later was for several years aide-de-camp of the eastern command. When the present war began, he became active in his country's defence and was wounded. Because of his service, he was mentioned in special despatches. He belonged in London to the Bachelors' Club, the Cavalry Club and the Turf Club.

The death of Mrs. Jane Isobell Fisher, wife of Coun. D. W. Fisher, Woodstock, took place at her home on August 5. She was a daughter of the late Abel and Ann Lawson of this city, and was sixty-five years of age.

Miss Catherine Murray died at the General Public Hospital yesterday after a lengthy illness of heart trouble. She was a daughter of the late John Murray, and leaves three brothers, James of 125 Pond street, Daniel and Jeremiah of Boston.

The death occurred on Sunday at the residence of her son, William Crowley, 184 Union street, St. John, of Abbie J.

## How Two City Salesmen Made 850 Sales in 12 Days Over the Phone

On July 23rd, two salesmen commenced the task of closing up the directory which appears on the two following pages. All sales were made by telephone. They made practically 900 calls in the two weeks of 12 working days and closed with more than 850 business and professional men, making the enviable record of 94% sales.

And included in this list were many "back calls" the time-bane of the salesmen. Think how long it would have taken two salesmen to make each call in person and bring home the bacon! More like 12 weeks than 12 short days.

### Surely a Tremendous Tribute to the Telephone's Utility

Certainly this incident is a strong testimonial to the efficacy of the telephone as an adjunct to your sales force; and no doubt will suggest itself cogently to the merchant or manufacturer as representing a new line of business attack.

Are YOU, Mr. Merchant, getting all the business that is yours? Mr. Manufacturer: There possibly is lots of business for you no farther away than your own telephone. How many out-of-town orders are yours for the mere expenditure of a long distance call?

We are always glad to make suggestions to telephone users as to how the maximum of service can be secured and a telephone call to Traffic Department Main 3400 or a postal will bring a representative to your office to discuss the situation with you. Let us help you get 94% sales efficiency.

### STATUS OF RECRUITS MARRIED SINCE JULY 6

Subject of Discussion in Senate—Amendment Voted Down—Churches to Decide Who Are Clergy?

Ottawa, Aug. 7.—The military service bill is in prospect of soon passing the senate and becoming law. The measure was taken up in the committee stage of the upper house last night and half a dozen clauses passed. The principal discussion centered around the declaration that for the purpose of the section those marrying since July sixth shall be considered unmarried. This was construed by some as a reflection on the motives of those marrying since that date and also as reflecting on their marital station. A proposed amendment, however, was voted down. Senator Landry gave notice of an amendment likely to provoke considerable discussion. It proposes that within the meaning of the act "clergy" shall be defined according to the laws of the different denominations. This evidently is planned to replace the "divinity students," who after being exempted were eliminated from the category of exemptions and made liable to service.
