Canadian Salt Company's Bonds

have always been favourably regarded by conservative investors. The Company's excellent record of earnings for an extended period of years; the Dominion-wide appreciation of its principal products—"Regal" and "Windsor" table salt; the value of properties, plants and equipments securing the Bonds, all are factors which create a ready demand for Canadian Salt Company's 7% Bonds.

We offer a limited amount of the Bonds at 100 and accrued interest to yield 7%. Write for particulars.
