and the
Made-in-Canada Idea

WHAT prompted you to buy Shoes made elsewhere than in Canada? Was it not the lure of the foreign-made article?

On a point for point comparison you have a line of shoes made right here in Canada that is without superior, no matter where made.

"Invictus" Shoes are made in a model factory, conducted with a degree of efficiency "Par Excellence." The raw material used is of the very finest. While the output is limited, the high degree of workmanship proves the wisdom of the policy to produce a satisfactory article before considering the quantity made.

You have heard, so many times, the old cry of style, comfort and quality, that you are liable to discount a repetition of it. But in asking your consideration of the "Invictus" shoe as a "Made-in-Canada" product, we know that on these three points you may have absolute confidence that "Invictus" Shoes will fulfill your expectations to your entire satisfaction.

"Invictus" Shoes are made in a Canadian factory, by Canadian workmen. As evidence of the satisfaction which they have given in the past, there are 600 "Invictus" Agents situated from coast to coast throughout the Dominion, who are proud to couple their names with "Invictus." These Agents will, with pleasure, show you the new "Invictus" styles, and will point out, personally, why it will pay you to buy "Invictus," "The Best Good Shoe"—"Made-in-Canada."

Economize by buying "Invictus" Shoes. You pay no duty, and in every pair, you get the maximum of wearing qualities at a minimum price for that grade of footwear.

Notes of Maine Horses.

Dr. W. L. Stamford of Rumford has bought the yearling colt by The Northern Man, 2.08%, out of Mary Louise, 2.27, from Col. George Leavitt. The youngster is a full brother to the champion two-year-old pacing gelding Richmond, 2.09%. Mary Louise is also the dam of Ann Bradford, 3, 2.09%.

Banner Wilkes, 2.17%, will winter in Maine, Hiram Toller, trainer for F. A. McCulliff of Massachusetts, will bring him to Waterville within a few days. Mr. Toller and Banner's owner, F. A. McCulliff, believe that continual jogging in the snow will help the rugged campaigner, winner of \$800 in the last season. Banner is in his 18th year, but looks able to stand another campaign.

Enthusiastic horsemen of Dexter are considering leasing or purchasing the Central Maine trotting park, in that town, and if either plan is carried out, will arrange for a three days' fair next year. The best four year old that the State of Maine has produced in a long while is John Moore, 2.13%, by Mars, 2.13%, out of Dolly Bidwell, 2.08%. He was in the stable of James Carpenter at Readville, this spring, but was later turned over to W. J. McMinion of Presque Isle, who must be given credit for his wonderfully good showing. He is owned by C. A. Trafton of Ashland and looks like a sure 2.10 trotter.

Welsh Defeats Wolgast.

Freddie Welsh of England, champion lightweight of the world, defeated Ad Wolgast, of Michigan, former title holder, in what was to have been a ten round bout in New York last night. With the exception of the second Welsh had the better of every round and the bout was stopped in the eighth by the referee when Wolgast complained that a small bone in his right arm was broken.

BASEBALL.

Veterans Stricken From Roll.

Connie Mack, manager of the Philadelphia Athletics, started the baseball world yesterday by announcing that he is through with Plank, Bender and Combs and that none of these pitchers will ever wear the uniform of his club again.

They could not learn to subtract, so the teacher put this practical problem to him: "If they had eight pennies and lost three, how many pennies would they have left?" "For why should they lose three pennies?" came the prompt reply—Everybody's.
