

MINERS REJECT PROPOSITION OF STEEL CO.

Decline Proposal of Suggested Probe That Would Bind Men and Company

CONCILIATION BOARD REPORT IS ISSUED

Declares Peace Can Be Achieved Only by Mutual Confidence.

A FREEMASON'S SUFFERING

"FRUIT-A-TIVES" WORLD'S BEST REMEDY FOR CONSTIPATION

"I was troubled very badly with Rheumatism and Constipation and tried a great many remedies without relief, until a friend of mine recommended 'Fruit-a-tives'."

SYDNEY, N. S., Feb. 13.—The miners have decided to reject the counter-proposal made by the British Empire Steel Corporation for the settlement of present wage dispute, it was announced here this afternoon.

Constipation is the great curse of old age. Yet day by day, more and more elderly people are enjoying vigorous health through "Fruit-a-tives".

To be Healthy—Watch your Kidneys

The kidneys play a vitally important part in your bodily health. They are the filters of your body—the purifiers of the blood stream.

If the kidneys are clogged with impurities, the blood becomes poisoned and, in turn, poisons the whole system.

Unless the trouble is checked, serious kidney and bladder derangements, often requiring the surgeon's knife, may result.

Avoid kidney trouble! Take Gin Pills. They will cleanse the kidneys, restore them to normal action, and bring you back to good health.

live from the date of the acceptance of this proposal until November 30, 1926, and the company and employees to respectively obligate themselves to accept such scale of wages.

"Pending the report of the committee and from the date of the acceptance of their proposal the company pay the 1924 scale of wages, less 10 per cent. After such reports such wages to be readjusted to conform to the rates thereby established.

The report and recommendations of a majority of such committee shall for the purpose of this agreement, be deemed the report of such committee.

Conciliation Board's Report.

OTTAWA, Feb. 13.—The report of the Winfield Conciliation Board respecting the dispute between the Cape Breton coal miners and the British Empire Steel Corporation declares that "no permanent improvement in industrial relations can be expected until complete confidence is established between the operators and employees."

The board is unanimously of the opinion (a) that due to the unfortunate relations existing for many years between the operators and the employees, as set forth in the statement of the employees submitted to the Minister and further elaborated in the actual necessary cost of mining, transporting and sale of coal, the ability of the companies to pay a rate of wages satisfactory to the employees, to earn a fair return on capital invested, and the bearing which the attitude and action of the operators have in relation to the efficient and profitable carrying on of the operations.

Only Partial Employment.

(b) That under prevailing conditions many of the employees are unable to obtain more than meagre part time employment, in the winter season, entailing serious far-reaching hardships, and that this deplorable state of affairs can probably be remedied by the company's being able to secure remunerative outlets for their product when access to the markets in central Canada is cut off by the closing of navigation, prohibitive railroad freight rates and other causes.

Ultra Vires.

Before the board was completed, however, information was received to the effect that a judgment of the Council had declared the act under which the board was constituted ultra vires.

The Government decided that the organization of the board be proceeded with, and communicated with the parties to the dispute to that effect, inviting their co-operation.

WILL SHOW WORK UNDER C. G. I. T. PLAN

Plans Are Made For Demonstration Week—No Mass Meeting in St. John.

Demonstration week for the Canadian Girls in Training throughout the Maritime Provinces will be observed from Feb. 18 to 24, under the auspices of the Maritime Religious Education Council, to give to church and community a clearer comprehensive of C. G. I. T., and greater interest in its programme.

OLDEST NATIVE, 85

Elias White of Marysville Congratulated on His Birthday.

WINS CHURCH TEST Miss Luella Sargeant Awarded Prize in Portland Elocution Contest.

An elocutionary contest was one of the chief items on the programme of the Young People's Society of the Portland Methodist church at its meeting last night in the schoolroom of the church and Miss Luella Sargeant was adjudged the winner.

P. E. I. Child Dies From Poison Pills

CHARLOTTETOWN, Feb. 13.—While his mother was in hospital at Summerside undergoing a serious operation, the three-year-old boy of Mr. and Mrs. James Manderson, Lot 16, ate pills containing poison and died shortly after in great agony.

LONG SLEEVES BACK Long sleeves will be much smarter for spring than short ones.

For Constipation, Biliousness, Headache Four dollars for Carnol did what hundreds of dollars failed to do.

Mr. James Kenny of Ottawa, states very clearly the advantages of Carnol taken for stomach trouble, when he says, "No man or woman can be strong who suffers from stomach trouble and its associated troubles, indigestion and impaired nutrition. When the stomach is weak there is loss of nutrition from food, and food is the source of all physical strength. When a man, woman or child doesn't feel just right, doesn't sleep well, has an uncomfortable feeling in the stomach, my advice is to take Carnol and get relief. If nervous or despondent and losing the nutrition to make strength, such a man or woman needs Carnol. It will do for you as it has done for me and many others, restore you to natural health and happiness."

WHAT DO YOU GET OUT OF THE FOOD YOU EAT?

We eat for health and strength as well as for the pleasure and satisfaction it gives us. The blood supply must be replenished; muscles must be renewed; the wasted tissues in every part of the body must be replaced. This can be done, not by the mere quantity of the food we eat, but by the amount which our bodies are able to digest and assimilate.

That Father John's Medicine contains a vast store of food value and strength-building elements is proven by scientific tests and by the thousands of men, women and children who have regained their health by taking this pure, important feature of this prescription was the heavy proportion of pure cod liver oil which blended with other valuable ingredients by means of specially designed apparatus enables the system to easily assimilate the food and medicinal value. It is six times more nourishing than milk and contains 2 1/2 times the nutrient of the same quantity of beef steak.
