Growing In Favor

THERE is no secret about the steadily growing popularity of Fit-Reform Suits and Overcoats.

The marked favor with which these high class garments are regarded by gentlemen is but a fitting tribute to their real worth.

Since their inception, years ago, Fit-Reform Suits and Overcoats have steadily won the men away from the merchant tailors. To-day, Fit-Reform stands at the top

of the ladder as the leaders of fashion in gentlemen's high grade, hand tailored garments.

Two handsome Fit-Reform styles in Fall Overcoats are shown above—the 3/4 Box and the Raglanette or Rain Coat.
