SAMPLE ROOMS.

For Commercial Men

THE demand for Sample Rooms to accommodate for the commercial travellers being so great, and the supply being inadequate, causing the travellers in some instance to remain three or four days awaiting their turn, has induced the subscriber to build two Sample Rooms, well lighted, aired and warm. Commercial men can depend on obtaining just what they require, being situated in the central part of the business community, namely, corner Main and Wesley Streets, they will be found to be far more suitable, comfortable and convenient. Should a horse and sleigh be required it will be furnished without additional expense. Rooms secured either by letter or telegram
