# THE MARKETS.

Revised every Monday for THE WEEKLY SUN. COUNTRY MARKET.

Meats are steady, lamb being scarce and higher last week. Potatees are less plentiful and a little higher. Garden truck of all kinds is cheaper. Cauliflowers are now on sale. There is a good supply of fine native cabbage new coming in. The price of strawberries varies a little from day to day according to supply. Large lots of cultivated are going to Boston, but there is no inquiry at all for berries in bulk, in which form there were large sales the last two

years.	Wholesale

LUMBER AND LIME. There is nothing new to report locally regarding the lumber trade. The American market shows no improvement. Farnwerth & Jardine's Liverpool circular of July 2 says the price of spruce had given away a little, though deliveries were fair and stocks not to say heavy. It quoted a range of £5 7s 61 te £6 for N B and N S spruce deals, and for boards £5 2: 6d to £5 7s 6d; birch timber at

OILS.	414		

Illuminating eils are marked from lo to 12c lower. Canadian prime white oil is new delivered to the retailers at equal to 7½c per wine gallon (the American measure) in bulk. The quotation of 12c means barrel free and per imperial gallon. The Canadian companies are now successfully eliminating the sulphur frem their crude oil and putting the refined on the market much improved in quality. Manager Drury, of the Imperial Oil Co, has received very satisfactory endersements from the trade in the provinces as to the quality of their

### Board of Trade Matters.

The Board of Trade has received word from J. D. Hezen that Mr. Huddart will be unable to come to St. John during his present visit to Canada.

Letters have been received from nearly all the railway and steamship companies agreeing to issue merchants' week excursion tickets on September 29th, and the 2nd and 4th of October, good to return until the 8th. Circulars relating to merchanstr' week for distribution through the country will shortly be a separate to the pearly the members of the heard.

be issued through the members of the beard.

Arrangemen's have been completed and word has been received from most of the boards in the province arranging to hold a conference of the boards of trade of New Brunswick on the 4th of October. Prot. Rebertson has been invited to deliver a ecture on the agricultural interests of New Brunswick on the day of the conference.

Arrangements are also being made by the members of St. John board to give a banquet or some other similar entertainment to the visiting delegates from the other beards in the province while here.

# The Deminion Safary Fund

(Winnipeg Free Press, 10 h) A Macdenald returned this meaning from his eastern trip connected with the founding of new agencies in the provinces of Neva Scotia and New Brunswick for the Great West Life Assurance company. Mr. Brook went ever the same ground in a previous journey, but left his work unfinished to return and discuss with the heard the taking turn and discuss with the board the taking ever of a small insurance company in St.
John, N. B., called "the Dominion Safety
Fund association," and absorbing the same
into the Great West. This has practically
been done and Mr. Macdonald reports a very successful business trip. He parted from Mr. Brook at Halifax, leaving the latter to continue the opening up of the new agencies in all the principal towns of the eastern provinces.

The area of crops in the United States this year is 20,107,247 acres. No railway porter has ever been effended by a gift of the smallest coin.
