### SPORTING NEWS.

#### CRICKET.

Zingaris Will Come.  
A. R. Fairweather is in receipt of a letter from R. Turner of Montreal, New Jersey, stating that the Zingari cricket team is planning another trip through the maritime provinces, and will be glad to give St. John a two days' game. The intention is to leave Boston on the 18th or 19th of next July. St. John was beaten by the Zingaris on their last tour, but this city put up quite as good a front as any that the victors played against, and with the long notice now available it ought to be possible to work up a team that would give them a lively match. There are many good players here, and the game is sure to be arranged. Mr. Turner in his letter states his opinion that St. John did as well as any team and that personally the Zingaris enjoyed their visit to this city.

#### GROCCERS MEET.

A meeting of the grocers was held last evening in Berryman's Hall for the purpose of discussing the advisability of forming themselves into a union. The question was well considered and all were unanimous that it would be to their interest to do so. They accordingly agreed to have another meeting a week from tonight, when it is altogether probable that they will organize what will in future be known as the Grocers' Protective Association.

### ABOUT LOGAN'S ALLEY.

A north end gentleman who pays big taxes all the time complains that the city has neglected to do what is right in connection with Logan's alley, which is used by people going from Paradise row to Moore street. This passage was once fitted with wooden pavement, but this has been worn out, and the place at the present time is almost unfit for use. The citizens who pass through it want the walk properly fitted up and also insist upon an electric light at the head of the alley.

### LOCAL GOVERNMENT MEETINGS.

Premier Tweedie reached St. John yesterday and is at the Royal Hotel. A meeting of the local government will be held Tuesday at Fredericton, and on Wednesday or Thursday the executive will be in session in St. John. The premier will complete the investigation into the alleged charges of cruelty against an asylum keeper during his visit here.

### THE BATTLE LINE.

Str. Cunaxa sailed at 1 p. m. yesterday from Savannah for Liverpool. Str. Mantinea, Capt. Pyc, from St. John with deals via Louisburg, passed Brown Head on the 26th for Manchester. Str. Regina, from St. John with deals, reached Southport the other day.

### POLICE COURT.

In the police court yesterday afternoon Mary Jane Fox of Brittain street appeared against Mary Curran on a charge of assault. She swore that on last Saturday afternoon Mrs. Curran hit her on the head in witness' own yard.

Mrs. Curran denied the charge. She said that Mrs. Fox had been throwing dirty water into the yard from an upper window, and that sometimes it had fallen on her while passing by. Mr. Curran went to Mrs. Fox on Saturday and asked for an explanation. She (Mrs. Curran) called him back into the house. Shortly afterwards she looked out and saw Mrs. Fox down. She supposed that she fell over something, as any rate she was surprised on hearing that Mrs. Fox went to a neighbor's house and charged her with assault. She was not in the yard.

Word was sent to Mr. Curran at the gas house to come to court and give evidence. He knew that Mrs. Fox had thrown dirty water into his yard, and he went on Saturday to see her about it. His wife called him back. Later he saw his wife and Mrs. Fox wrangling in the yard. He did not know what was said or done. This contradicted his wife's evidence, who said that she was not in the yard. Mrs. Curran was fined \$20 or two months in jail.

Geo. Paddock, charged with assaulting his wife, was fined \$20 or two months in jail. Paddock is a brother of Mrs. Curran.

### THE BUFFALO TRAGEDY.

BUFFALO, N. Y., Oct. 26.—Surrogate Marcus will tomorrow hand down a decision by which Mrs. Burdick, widow of Edwin L. Burdick, will gain full control of the property left by her husband. Under the terms of the will drawn up by Burdick a short time before he was murdered, his three children were to be placed in the hands of three guardians. His estate was to be managed by four executors for the benefit of the children. The administrators named in the will have managed the estate and turned the income over to Mrs. Burdick as legal guardian of the children. By the decision to be handed down tomorrow the most important clause in the instrument will be declared void. The will was drawn after the divorce proceedings were begun by Mr. Burdick. Under its provisions Mrs. Burdick was cut off with a cent.

### FREDERICTON NEWS.

From the generous response to the invitation sent out by the British Society to the profession throughout the province to the dinner here in honor of Chief Justice Tuck, Nov. 3rd, it is judged that over 80 will be in attendance. Among the who have so signified their intention of being present is Hon. Josiah Wood of Sackville, who is also an attorney of the supreme court and an old school friend of the chief.

As a result of friction at Victoria Hospital yesterday, one of the members of the medical staff threatens to resign. The gentleman, who is one of the surgeons in attendance this month, was absent from the county some two or three days without notifying other members of the staff, and during his absence a patient arrived for an operation in such a condition that the matron believed a surgical operation necessary at once, and she committed the case to another member of the staff, with the above result.

### SHOT HIS SISTER.

HARDWICK, N. S., Oct. 26.—Flora Porter, the 15-year-old daughter of Mr. and Mrs. John Porter of Walden, was unintentionally shot by her younger brother yesterday, dying 15 minutes later. The girl was handling an air gun which she playfully pointed in the direction of her brother, exclaiming as she did so, "I will shoot you." A loaded rifle, the property of the hired man in the family, was resting against a house nearby, and the boy, catching the spirit of his sister's fun, seized this weapon and pointing it at his sister, answered, "I will shoot you too." As he spoke the rifle was accidentally discharged, the bullet entering the body of the girl. Her brother said that he did not suppose that the gun was loaded.

### OTTAWA NEWS.

OTTAWA, Oct. 26.—A cabinet council was today, the first of a series which will take place during the week, to clear the air of the confusion. When this business, most of it departmental, has been disposed of, the ministers will depart for a vacation of a few weeks. Many of the appropriations passed during the session will not be available until orders in council have been passed.

One of the first items of importance to be discussed in council will be the reorganization of the departments authorized by the bill which was passed through during the last week of the session. The chief feature of the change will be the placing of the entire civil system, as regards operation, under control of the minister of marine and fisheries.

R. P. Foster, manager of the Royal Bank of Canada at Fredericton, has been transferred to the St. John branch in succession to F. H. Arnaud, manager of the St. John branch of the Royal Bank of Canada, has been appointed secretary to the board of directors of that bank at Halifax, and will be succeeded in St. John by R. P. Mr. Foster, who is a native of St. John, has been in charge of the Fredericton branch for the past five years, during which time he has continued to grow in popularity with all citizens. The change will take place next week. No successor to Mr. Foster has as yet been named.

Mr. Arnaud told the Sun last evening that while at was perfectly true that Mr. Foster was to come here as manager and that he was to leave St. John, the matter of his placement was thoroughly undecided.
