Col. F. M. Steel
Petroleum Engineer
Department of Mines & Resources,
503 Public Building,
Calgary, Alberta.

Dear Sir:-

Re: Inland Sarcee No. 1 Well

We beg to hand you herewith further drilling reports Nos. 39 to 52 dated January 16th to January 30th inclusive.

In regard to the numbering, we note that two of the reports were inadvertently numbered 46 in each case. We have therefore made the report of January 24th 46A.

Yours very truly,

HIGHWOOD DEVELOPMENT LIMITED

Per:

"R. G. Straker"

Managing Director

RGS:L
ENCLS.

P.S. We are also depositing with you five bags of samples, 1200 feet to 1240 feet inclusive.
