

MONTREAL'S OLDEST CITIZEN PASSES AWAY

Dr. Arthur Fisher, Prominent Resident of Metropolis, Dies at the age of 98 Years.

Montreal, Dec. 3.—Dr. Arthur Fisher, probably the oldest resident of this city, and one of Montreal's highly-respected citizens, died this morning.

At the death bed were his sister and the widow and family of his deceased son, Mr. Roswell Fisher.

EXPECT TO ADJUST MATTER SATISFACTORILY

Atty.-Gen. McReynolds and Chairman of New Haven Board Confident Basis Settlement can be Arranged

Washington, Dec. 3.—Conferees today between Attorney General McReynolds and Chairman Elliott of the New Haven board developed a situation which made both officials confident that a basis of dissolution which would restore competition in New England transportation and meet the government's demands, had been reached some time in the near future without a court fight.

COMPLAINS OF SERVICE ON THE MINTO RAILWAY

To the Editor of The Standard. Sir.—A great injustice is being done the section of the country between Norton and Chipman, and the travel public generally by the way in which the trains are being run over the railway from Norton to Fredericton via Minto.

The trains start each morning from Fredericton, arriving at Norton late in the afternoon, and starting the morning after the arrival of the C. P. R. train from Halifax.

The portion of the road from Norton to Minto runs through a settled country. Commercial men and travellers arrive here nearly every morning to take the train to Chipman, Minto, and other points on the line, and to wait here all day, and arrive at their destination too late to do business that day.

Beside this if they wish to save time and to arrive at Chipman earlier they have to go to Fredericton, paying one dollar more from St. John to Fredericton by C.P.R. than they would did they go from St. John to Norton, and take the train there for Chipman.

Then the trainmen cannot stand this double run over the road, and when the snow comes in the winter, the service will be thoroughly demoralized.

Everyone concedes that a proper service would be to start a train from Norton and Fredericton every morning, the train being carried from Norton, and this would give the people on the southern end of the line a service that would satisfy the business men of the different sections, and the travelling public generally.

Yours, TRAVELLER. Norton, Dec. 3rd, 1913.

SIX MONTHS FOR GETTING MONEY BY FALSE PRETEXTS

Toronto, Dec. 3.—Cecil W. Irwin pleaded guilty in the General Sessions today to the charge of obtaining \$4,200 from the Trust and Guarantee Company by false pretences.

Restitution has been made by the young man's friends. Judge Moran, however, declared the offence a serious one, and sentenced him to six months in the central prison.

CHORUS GIRLS NOW HAVE A UNION

Lawyers have their Bar Association and physicians their County Medical Society, so why should not the chorus girls have their own union?

This was part of the argument in the rooms of the Women's Trade Union League, New York, when discontented chorus girls and chorus men met and formed the International Alliance of Chorus People, to be affiliated with the American Federation of Labor.

Miss Paula Hummel, the first to volunteer as a member of the union, said that she wanted half pay during rehearsals and legal contracts.

"I'm tired of working for fifty cents a day and supply your own evening gowns. What do you think of that? It's not funny—no, no!"

HEADACHY, COSTIVE, BILIOUS,—"CASGARETS"

Liver and bowels are clogged—Clean them tonight! Feel bully!

Get a ten cent box. Sick headache, biliousness, dizziness, coated tongue, foul taste and food, breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Casgarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely strengthen you out by morning. They work while you sleep—a ten cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.
