## CHILD GETS SICK, CROSS, FEVERISH IF CONSTIPATED

"California Syrup of Figs" can't harm tender stomach or bowels.

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation, poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is often times all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

Kiel, Germany, Nov. 23.—Prince Waldemar, of Prussia, eldest son of Prince Henry, who is a brother of Emperor William, has been brought to Kiel from the front, seriously ill.

Prince Waldemar is at the head of a volunteer automobile corps and in this capacity has been at the front continuously since the beginning of the war.

## SIEGE BATTERY ENTERTAINED

Guests at entertainment in Main Street Baptist Church last night.

Over a hundred soldiers of No. 4 Siege Battery were the guests of the Ladies' Class of the Main Street Baptist church last evening. The boys marched over to the church in a body and were received with an address of welcome by the pastor, Rev. David Hutchinson, D. D.

The hall was tastefully decorated with the flags of the Allied nations. A fine programme was carried out by the church people, after which the boys carried out an equally good programme which was quite a surprise to their hosts.

The programme included the following: Address of welcome, Rev. Dr. Hutchinson.

Solo..... Mrs. Dr. Hutchinson  
Reading..... Mrs. Lang  
Solo..... Miss Mullin  
Piano Duet, Mrs. Hutchinson and Miss Hutchinson.

Reading..... Mr. Irvine  
Address..... Dr. W. F. Roberts

The soldiers programme was as follows:  
Solo..... Sgt. Bond  
Tipperary..... Corporal Griffin  
Comic Sketch Sgt. Bond and Corporal Griffin.

Song..... Gun. Bond  
Song..... Gun. Saunders

After the programme the boys took places at tables, also flag decorated, and with flag pins as souvenirs for each man, and were given a hearty "feed" which was much enjoyed.

The evening's enjoyment was then brought to a close by singing the National Anthem, after which the men gave three hearty cheers for the ladies and Rev. Dr. Hutchinson extended a cordial invitation to the men to come to the church whenever they could.

Then those of the soldiers who lived in the city went to their homes, and the rest marched back to their quarters singing and whistling lustily all the way.

## OBITUARY.

**H. Adam Glasgow.**

H. Adam Glasgow, who died at his residence in West St. John on Monday night, was one of the adventurous band of St. John men who journeyed to California when the gold fever broke out in the late forties of the century. It was in 1849, when Mr. Glasgow was eighteen years old, that he went to the Golden Gate. He shipped "before the mast," as many St. John boys did in those days, and was in the "Horn" for that to sixty-five years before the Panama Canal was opened. San Francisco did not amount to much when Mr. Glasgow arrived there. He spent some years in California but did not strike gold, and eventually he returned to St. John. He soon found time from his business activities to engage in civic politics as well as provincial politics, and he was elected to the Common Council from Brooks ward. He served a long time, and always was an active and influential member. Few members of the board indeed gave as much time and study to civic affairs as he did, and few could compare with him in knowledge of the city's financial condition. After a long and sometimes stormy service, he retired in 1883 to become superintendent of ferries, a position which he held until comparatively few years ago. At the age of 84 few of his contemporaries were left on either side of the harbor, but he will be kindly remembered by all who knew him. Mr. Glasgow is survived by one daughter, Mrs. J. K. Rogers, and one sister, Mrs. Anthony Atcheson.

**Mrs. Mary A. Cline.**

The death occurred yesterday of Mrs. Mary A. Cline at her late residence, 10 St. James street. Mrs. Cline was the widow of Richard Cline and leaves three sons and eight daughters. The funeral arrangements have not yet been arranged. Mrs. Cline was greatly respected and had a large number of friends in the city. The sons are Alfred and Richard B. pilots, and Wilfred C. foreman machinist, all of this city; the daughters, Mrs. Frank McCafferty and Mrs. Stanley F. Swain, both of St. John; Mrs. Dora Horther, Boston; Mrs. Arthur Kye, Calgary; Mrs. H. Gilroy, McLean, Alberta; Miss Minnie, Miss Eleanor and Miss Ada, at home. Mrs. Cline, who was the widow of one of the most prominent pilots in the Maritime Provinces, leaves also twelve grandchildren as well as great grandchildren.
