At the meeting on Tuesday the president referred to the growing need for hospital supplies. She spoke of the fact that reports had been in circulation to the effect that the supplies did not reach their proper destination. Such statements hurt the cause and to prove their falsity she read an extract from an article written by Sir William Peterson, Pres. of McGill University, who had recently visited the Red Cross headquarters at Boulogne, in France. He tells of the immense consignments which reach each of those great warehouses, and so great is the need for the supplies that no matter how full the storehouses may be, there, the whole consignment is cleared out, and has to be renewed on an average, once a month.

## TOP DANDRUFF! HAIR GETS THICK, WAVY, BEAUTIFUL

Girls! Draw a cloth through your hair and double its beauty.

Spend 25 cents! Dandruff vanishes and hair stops coming out

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderuff.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25-cent bottle of Knowlton's Danderuff now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre, and try as you will you can not find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and half-sprouting out all over your scalp—Danderuff is, we believe, the only sure hair grower, destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderuff and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

The monthly meeting of the L. O. L. No. 111 took place at the Orange Hall, on Tuesday evening last. The chief item for the evening was the election of officers for the ensuing year, when the old officers were re-elected with the exception of D. J. P. Vaughan, who was elected to fill this office of D. C. Appeals for help were read from the Protestant Orphanage, Truro, and the one at Pictou, Ont. The other routine business was carried out, and the Lodge closed in the usual order.

## LADY DOROTHY FIELDING.

Those who look in the face for an index of character must be puzzled, if the pictures of Lady Dorothy Fielding resemble the English girl in whom all Western Europe recognizes a heroine. There is pity in the soft eyes and gentle countenance, but little indication of the iron will and undaunted courage that have kept Dorothy Fielding at her dangerous post two years, says an article in The Vancouver Daily Colonist. As one looks at the portraits again being reproduced in the English periodicals, the thought of the exclamation of Jean d'Arc comes to the mind: "I have great pity for the fair realm of France." It was pity for the sufferings of Belgium that made a heroine of this twentieth century maiden who has been one of the very few who have been allowed to fill a man's place in caring for the wounded in this war. May we not believe that the passion of pity, if it were allowed to take possession of the hearts of the women of the warring nations, would help to heal the awful wounds that have been inflicted and prevent a return of the conflict that has desolated so many nations abroad and spread mourning and sorrow among ourselves.

The recognition which has been given not only to Lady Dorothy Fielding but to many others who have shown devotion to the wounded proves that pity and love are strong in the hearts of the rulers of the world. She has worn for some time the Order of King Leopold, bestowed by the brave Belgian King. France honored her with the Croix de Guerre, and at the beginning of last month King George invested her with the Military Cross, which only the bravest

When the blood becomes impure you will find that pimples and boils will break out all over the body, and although they are not dangerous trouble they make you appear unsightly both to your friends and yourself.

Burdock Blood Bitters will cleanse the blood of all the impurities and poisons which cause the skin to break out in these eruptions.

Miss Sylvia Swanson, Theodore, Sask., writes: "I am letting you know what great value B.B.B. has been to me. A year ago I started to grow pale and weak, the cause being bad blood. I got so many pimples and boils all over my face and body that I would not let strangers see me, and I used to avoid company. I tried many remedies but all seemed a failure. I read about how good your B.B.B. had been to thousands of people so I got a bottle and after I had finished the second one my pimples and boils had all disappeared. People thought it a miracle how well I looked."

Your grand old remedy sure has been as good as gold and better, to me."

No Sign of Dropsy and Kidney Trouble Since Taking "FRUIT-A-TIVES."

HATTIE WARREN

Port Robinson, Ont., July 8th, 1915.

"We have used 'Fruit-a-tives' in our house for over three years and have always found them a good medicine. Our little girl, Hattie, was troubled with Kidney Disease. The Doctor said she was threatened with Dropsy. Her limbs and body were all swollen and we began to think she could not live. Finally, we decided to try 'Fruit-a-tives.' She began to show improvement after we had given her a few tablets. In a short time, the swelling had all gone down and her flesh began to look more natural. Now she is the healthiest one in the family and has no signs of the old ailment. We can not say too much for 'Fruit-a-tives' and would never be without them."
