OBITUARY

John E. Duffy.

Friends of Mr. and Mrs. Wm. Duffy,
of 24 Pond street, are sympathizing
with them in the death of their only
child, John E., which occurred Tues-
day.

Miss Anna Walsh.
The death of Miss Anna Walsh,
daughter of the late Thomas Walsh,
took place yesterday at her home in

this city. She leaves one sister,
Agnes, of this city, and two brothers,
Joseph of this city, and James of Bos-
ton. The funeral will take place from
her residence, Brussels street, Fri-
day, at 2.30.

F. H. Probert.

The death occurred at Moncton, on
Tuesday, of F. H. Probert, who for
many years was foreman of the C. N.
R. roundhouse here. Mr. Probert is
survived by his wife and two sons,
all residing in Moncton. He was a
native of the "Bend" but came to St.
John to assume the position of fore-
man at the roundhouse. He had been
ailing for the past two months.

John Robinson Pyle.

St. Andrews, April 14.—John Robin-
son Pyle, one of St. Andrews, oldest
and most respected citizens, passed
away on Thursday afternoon at 6
o'clock after an illness of three years,
at the age of ninety. He was the son
of the late John and Lydia Pyle of
Boonville, N. B., where he was born
on October 31st, 1829. He was a con-
sistent member of the Methodist
church, for more than sixty years.
Since the death of his wife, who was
Miss Mary McCubrey of the Leige,
Dufferin, he has been cared for by
his daughter, Mrs. Fannie B. Wil-
son with whom he made his home.
As a young man he learned the trade
of a wheelwright with Mr. Edward
Stentford of this town, which he fol-
lowed until old age compelled him to
retire from active life.

He leaves to mourn one son, E. Nel-

son Pyle, and three daughters, Mrs.
Fannie B. Wilson, Mrs. William R.
Mitchell of this town and Mrs. Mar-
shall S. Hanson of San Jose, Calif.
U. S. A.

Mrs. Alfred Stevens.

Mrs. Alfred Stevens passed to her
rest on Saturday morning at 10 o'clock
at the age of 83, thereby removing one
of our oldest residents. She had been
in failing health for some time, but
was confined to her bed only for a
week. Her health was affected great-
ly by the death of her son, Marsh,
who was killed in France last fall.
Mrs. Stevens was a woman of sterling
character and was beloved by her
many friends. She is survived by a
sister, Mrs. C. M. Tibbels and a bro-
ther, Mr. George Bedell, both of this
place and by four sons, Edmund of
California; Frank of Bridgeport, N.
S.; and Charles and Jack of this place,
who have deep sympathy of all. The
funeral was held from Trinity church
on Sunday afternoon, conducted by
Rev. J. R. Delys.

The bearers of the pall were Mr.
Reed Bedell, a nephew and three
sons, Frank, Jack and Charles and
the body was interred in the family
lot.

known farmers of Dover, passed away
at his home this morning at the age
of 75. He had lived in Dover practi-
cally all his life. He was a brother
of B. A. Steeves, of Moncton. He is
survived by a widow, four sons and a
daughter. Dr. Elmer Steeves of North
Dakota, is a son. Another son, Pyle,

CASUALTY LIST.

A. J. White, of Norton, is reported
ill and R. Thebeau, of Rogersville
wounded, in yesterday's Ottawa casu-
alty list.

Lovely White Skin!

Strain lemon juice well before
mixing and massage face,
neck, arms, hands.

By all means, girls, prepare a
lemon lotion to keep your skin flexible
and young looking. You will soon
realize that true loveliness does not
mean the powdery look or waxen
colorlessness of some hot-house flow-
er, but is typified by the velvety soft-
ness of your skin, your peach-like
complexion and rosy-white hands.

At the cost of a small jar of ordi-
nary cold cream one can prepare a
full quart pint of the most wonder-
ful lemon skin softener and complexion
beautifier, by squeezing the juice
of two fresh lemons into a bottle con-
taining three ounces of orchard white.
Care should be taken to strain the
juice through a fine cloth so no lem-
on pulp gets in, then this lotion will
keep fresh for months. Every woman
knows that lemon juice is used to
bleach and remove such blemishes as
freckles, sallowness and tan, and is
the ideal skin softener, smoothen-
er and beautifier.

Just try it. Get three ounces of
orchard white at any pharmacy and
two lemons from a grocer and make
up a quart pint of this sweetly
fragrant lotion and massage it daily
into the face, neck, arms and hands.
It should naturally help to whiten,
soften, freshen and bring out the
roses and hidden beauty of any skin.
It is simply marvelous to smoothen
rough, red hands.

Many Cases in Police Court

Man Charged With Having
Liquor in Chinese Restau-
rant—Magistrate Says Stalls
Must Come Down—Leng-
thy Discussion on Lemon
Case.

Chapman Brockwell appeared in the
police court yesterday on the charge
of having liquor in his possession un-
lawfully. The accused was arrested
in a Chinese restaurant on King
square, Tuesday night, by inspectors
McAlush, Garrett and Merryhead. The
accused took the stand and told of
his procuring the liquor by prescrip-
tion from a local physician. At the
time he was suffering with a cold, and
the physician on this recommendation
gave him a prescription which he took
to a local vendor and he procured a
bottle of liquor. The vendor called
the accused at the time told him
the liquor was for medicinal
purposes alone, and accordingly he
filled the prescription. Hum Wing,
the proprietor of the restaurant,
where the accused was arrested,
the physician, who gave the prescrip-
tion; the accused, and the vendor,
will individually be called again on
Tuesday next, when the case is re-
sumed.

The magistrate said the stalls must
come down in these restaurants, as
it was evident they were being used
for other than dining rooms. Speak-
ing of the physician who supplied the
prescription, he felt the doctor was
justified in his action, as it was an
understood fact that the accused
when procuring the liquor was to go
home, take what he required and go
to bed. Again the liquor given in
such a quantity as was obtained by
the accused, was to protect those
applying for liquor for medicinal pur-
poses from all adulterated liquors.

Rhody Ryan arrested some few days
ago by inspectors McAlush and Gar-
rett on the charge of having liquor
in his possession appeared for final
hearing. William M. Ryan, appearing
for the accused, reminded the court
that his client stated in evidence
that the bottle found in his wagon
was given to him by his brother to
take to his mother, and alluded to
section 8 of the liquor statutes,
wherein the clause was inserted that
"Of the receipt of liquor from other
than a licensee." The court consid-
ered the case, the magistrate review-
ing the evidence to some extent; and
deferred judgment until next Tuesday
afternoon. The accused was allowed
out on deposit of \$25—his former de-
posit being \$200. The magistrate be-
lieved the minimum penalty should be
attached to the accused under the pre-
vailing circumstances and technical points in his
peculiar case.

The case against the Brayley Drug
Company next came up for hearing.
This case began some time ago, the
company being charged with selling
Lemon extract. Some time ago a drunk
appeared and told the court that he had
become drunk on lemon extract. It
was traced that the lemon had been
supplied to the retail stores by the
accused company, Leonard A. Con-
don appearing for the company put in
an argument for his clients, and remind-
ed the court that many other such
drug concerns in the city were pre-
paring a retail stores with lemon
extract, as was his clients, but no
action was taken against them.

Further he reminded the court that
the present session of the New Brun-
swick legislature were enacting laws
to control the sales of all extracts,
essences and tinctures. In the future
the wholesale houses would be pro-
tected, as laws would be at hand
which controlled the retail and whole-
sale men in the sale of essences, ex-
tracts and tinctures. He mentioned
of the appeal case now before the
supreme court for which Mr. Hanson,
Fredericton, was appearing for a
client who was charged with an
offence in nature, the same, or near
the same, as that of the Brayley Com-
pany.

The magistrate reviewed the case
and wished it plainly understood that
no inducement was given him, so that
influence might be brought to bear
in postponing the case. The accused
company was charged with supplying
lemon extract; an extract was put
up in two bottles; it contained some-
thing like seventy-two per cent. alco-
hol, by analysis. He referred to a
young man only seventeen years old,
now in jail, on the charge of drunk-
enness. What did he become drunk
on? Lemon. Who did he get it?
From a store, paying \$2.50 for four
bottles. He was in a bad condition
at the present time, simply because
he had drunk lemon. Other cases
were brought to bear, all of which
went to show the gravity of such
cases, where men became drunk on
lemon. His own personal feeling
would influence him against the com-
pany, on account solely of the ex-
periences he had had in the court
room near every day with men who
became intoxicated on lemon. Mr.
Anderson, arrested some time ago on
the charge of selling extract retail to
others from his store stated in his
hearing: "Why am I to be fined?
What about the wholesaler?" Con-
cluding the magistrate remarked:
"Are you to allow such stuff to be
made in the city?" As to the fact
that other wholesalers were not pro-
secuted, the magistrate said he did
not for the court on the same charges
as Mr. Condon's clients, the magis-
trate reminded all that he was not
to bring cases into the court, it was
simply his duty to hear them and
place judgement. Due to the absence
of a member of the firm, and await-
ing legislation at the capital, Mr.
Condon asked for a further postpone-
ment of the case. This was complied
with, and the case will come up on
Tuesday next.

The case against Anderson was also
postponed for the same date. Wm.
M. Ryan is appearing for Mr. Ander-
son.

The case against Emery Brothers,
charged with allowing their auto to
run without a front plate, was de-
ferred until next Tuesday, by Mr.
Emery of the firm, a fine was struck
but allowed to stand.

Two drunks appeared who were
arrested by Inspector McAlush. One
Frederick Tream, arrested earlier and
besides the fine of \$8, paid an addi-
tional eighty for resistance to the
officer in the lawful discharge of his
duty. The other, William Natteff,
paid a fine of \$8 and both departed.
