> Young's Hotel for the purpose of talking the matter over with a view to ultimate organization. One gentleman explained at length the project as it had presented tself to the minds of some. It was the design to form a siciety which any conveniences could be added, if desired. Nova Scotian might join by paying two dollars, for which he would receive handsome certificate, to hang up in his house or place of business, thus introducing himself, as it were, to all visitors. and at the same time it would serve as a bond of union between Nova Scotians. A

of public business, leaving them no option beadquarters could be used as a sort zation would be comparatively small. Al-ready a historical lecture on the different

counties of Nova Scotia had been promised by a prominent gentleman, and an amateur concert had been suggested. Other lecures and entertainments could be given with much advantage to the exchequer of the society. It was claimed that the new eiety would not interfere in the least with the Benevolent Nova Scotia Association already organized, but on the cor trary would be an advantage to it by making Nova Scotians better acquainted with each other. In regard to the organization it was proposed to gentleman for President, and eighteen others for Vice-Presidents, to give characr., found so much pleasure, it is inter- ter to the society in the eyes of the com le abroad, but the real workers would consist of the Secretary, huge precipices like ant-hills.
