

4.

Indians may ^{be able to} obtain ~~the~~ necessary
fuel, fencing and
building timber without
trespassing on their white neighbours.

The obstacle in
the way of recommending
this purchase at the
time the appn. was
made, ^{recommended by the appn.} consisted in the
fact that the Dept.
had ^{no} funds at its
disposal wherewith to
complete the purchase.

^{There is} ~~A balance~~ now
at the credit of the
Nova Scotia Indians'
trust fund the sum
~~of~~ between \$400 and
\$500, and the interest
which accrued upon
this amount would
be so insignificant as
to be useless for general
distribution among the
Indians of the Province.
