Sir:-

Your File 29,167 - 6.

re: Inlailawatash Indian Reserve, head of
Burrard Inlet.

We understand that a report has been made by the Superintendent of Indian Affairs for the Province with reference to this matter and we would greatly appreciate it if your Department could in any way facilitate matters, so that the offer made by the Brittingham and Young Company Limited, made for the purchase of the Reserve, might be placed before the Indians.

Our clients are very anxious to proceed with their plans as to their timber limits on Indian River, as advised you in our letter of the 18th. May and before anything can be done it is necessary for the Company to know whether a purchase of the Indian Reserve can be made and upon what terms.

We have the honour to be,

Sir,

Your obedient servants,

CORBOULD & GRANT,
