Ottawa, 29th January, 1908.

Sir:-

Referring to your letter of the 4th instant, enclosing the sum of \$41.00, being interest due on your land in Pasqua Reserve, I have to say that as your purchase was made under specific conditions and as the amount thereof is large, it will be necessary for you to forward at an early date a further sum of \$100.00, which, with the amount received will be divided between principal and interest and placed to your credit, and the balance will be allowed to stand.

Your obedient servant,

Secretary.
