Department of Indian Affairs

Dear Sirs:-

R Please find enclosed draft for (eight hundred dollars) \$800.00. This is all the money that I could make and scrape together to apply on my land the ~~3rd~~ S.E. of Sec 12 20-24 N of the 7th. I would have liked to clean up all arrears but that is an impossibility with me now. There is no use for me to spill a hard luck story about no crops, no prices, drought, hail or anything like as you know the

Indian Affairs. (RG 10, Volume 6641, file 104B-1-115)
