Ottawa, Ont.

Your File 31167-16

With reference to Mr. Hoey's letter of July 25th in connection with the proposed relocation of a portion of the water supply pipeline serving Chekwelp Indian Reserve No. 26, I have today been informed by Mr. Whyte of the Surveys and Engineering Branch that it is proposed to have an engineer visit the Reserve to investigate the possibility of relocating a portion of the pipeline westerly along the north side of Lot "D" and thence southerly along the road allowance on the west ends of Lots "D" and "E" to the water tank, and if the proposal is feasible the location will be marked on the ground and an estimate of the cost provided.
