# SUPERINTENDENT OF EDUCATION—*Continued.*

the terms of a decision rendered on appeal by the superintendent of education, under 40 Vict. (Q.) ch. 22, s. 11, the appellants pleaded, *inter alia*, that the superintendent had no jurisdiction to make the order, the petition in appeal to him not having been approved of by three qualified visitors. *Held*, that inasmuch as one of the visitors who signed the petition in appeal to the superintendent, was the parish priest of an adjoining parish, and inasmuch as, under R. S. Q. 1951, priests and ministers can be visitors only for the municipality in which they reside, the petition in appeal had not the approval in writing of three qualified visitors, and the decision rendered by the superintendent was null and void. *Commissaires d'Ecole etc. & Hus*, 330.
