

MILBURN'S RHEUMATIC PILLS.

**A Safe, Reliable and Thorough-going Cure for
Rheumatism, Sciatica, Lumbago, Neuralgia
and Gout.**

MILBURN'S RHEUMATIC PILLS are composed of Tonic, Alterative, Diuretic and Laxative ingredients, combined and blended with Specific Anti-Rheumatic Medicines.

Their method of acting, therefore, is to dissolve and neutralize the Uric Acid which is circulating in the blood, and becoming deposited in the joints and muscles; to allay the inflammation of the membranes and tissues affected; and to set the kidneys and bowels acting, so that this poisonous acid may be rapidly and thoroughly eliminated from the system, and at the same time, the blood is being enriched and purified, and the general health and strength, which have been wasting away under the baneful influence of these diseases, is being built up and restored, and the system so fortified that they will have difficulty in again finding a lodgment.

Remember, Milburn's Rheumatic Pills are a Constitutional Remedy in the broadest sense of the term, and cure Rheumatism and allied complaints by **clearing away all poisonous accretions from the system, allaying inflammation, enriching the blood and building up the health.** They do not act as if by magic,—they do not eradicate diseases of long standing in an hour; but, as dose after dose of the remedy is taken, improvement is evident, the disease gradually subsides, until not a vestige remains and you rejoice in emancipation from suffering.

HAD TO USE A CANE.

There are more people crippled and maimed, going round supported by crutches and canes, through Rheumatism than from any other cause.

Milburn's Rheumatic Pills are happily giving back the use of helpless limbs, and artificial supports are soon discarded when this remedy is used.

MRS. MARTHA TAYLOR, 77 St. David St., Toronto, Ont., was about as bad

with Rheumatism as any one would want to be. Here's her story: "For about five or six years I have been troubled with Rheumatism, which this last two years has been so severe that at times I was unable to get out of my chair. I had terrible pain and swelling in the joints of my knees, which often amounted to agony. The pain through the small of my back, often rendered it impossible for me to lie down and rest at night. When I was able to get around it was only with the aid of a stick, and then I suffered at every step. Early this spring I received a little book telling me of Milburn's Rheumatic Pills, and I determined to try them. I sent my husband for a box, and it was not long after I started taking them that I began to get relief. The pain soon left my back and knees, and I can assure you I was thankful for the release from suffering. I persisted in the use of the remedy, however, and have taken in all two boxes and a half. All the

various remedies I used did not touch the Rheumatism, but Milburn's Rheumatic Pills seemed to go right to the spot at once.

They have, indeed, been a mercy to me, freeing me from pain, and restoring me the use of my limbs, besides building up my health generally. I shall never fail to recommend them as they have done wonders for me."

FOUND RELIEF AT LAST.

Go the rounds of all Rheumatic remedies,—rub on liniments till you're blistered,—then, if you really want a cure—you will have to come back to Milburn's Rheumatic Pills. They cure every time. MR. H. C. SNELL, Dovercourt P.O., says so. Read his statement: "I was

afflicted with Rheumatism for a long time in my feet, ankles and knees, and after trying every remedy I could hear of, and rubbing on liniments. I am glad to say I found relief at last in Milburn's Rheumatic Pills, which cured me, and I can honestly recommend them to every sufferer."

HARRY C. SNELL.

Milburn's Rheumatic Pills are 50 cents a box or 3 boxes for \$1.25 at all dealers, or sent by mail. T. MILBURN & CO., Toronto, Ont.
