MONTREAL

B. S. JENKINS,
Supt. Western Division
WINNIPEG.

This is the only Company having direct communication through **CANADIAN TERRITORY** with all points in Nova Scotia, New Brunswick, Quebec, Ontario, Manitoba, the Northwest Territories and British Columbia.

The splendid new wires of this Company, of the heaviest gauge yet strung, admit of the working of direct circuits with **NEW YORK, MONTREAL, OTTAWA** and **TORONTO** in the East, and **VANCOUVER, VICTORIA** and **SAN FRANCISCO** in the West, thus avoiding the repetitions and consequent delays which occur on other Companies' Lines.

The Company's **UNITED STATES** connections afford the most direct route and at lowest rates to all points in the United States.

This Company has direct wires working into the Commercial Cable Co.'s office at Canso, N. S., where the main Atlantic Cable lands, and is thus able to afford the most direct and prompt Cable Communication with Great Britain, France, Germany and all parts of the World.
