A REAL COAL OIL ENGINE -

YEARS IN ADVANCE OF ALL OTHERS AND Carburetor. No Batteries. No Spark Plugs. No Magneto. No Wires. It is the perfect oil engine. Runs on coal oil, fuel oil or crude oil. Uses no gasoline—not even to start with. And the savin, in quantity and price of fuel will pay for this engine in a few months. Starts easily and surely on its own fuel in the coldest weather. Its principle is purely mechanical. No electrical devices whatever to loosen and to get out of order. You should investigate.

the farmer's real friend. Write us to-day for booklet and information. Mention size you are interested in. Dominion General Supply Co., Dept. F, Yoronto, Ont.

This Engine Will Cost You Nothing

You need an engine—get a Gilson on our new, easy-payment plan, and it will pay for itself. You have the work for it to do this fall and winter, help is scarce and high-priced—save yourself a let of worry, and enjoy that "Feeling Gilson Engines have long enjoyed an indisputable reputation for dependability, power, simplicity and economy. This year finds us with an even more attractive proposition for the discriminating buyer. Prices of everything you have been buying have remarkably low prices. Write to-day for catalogue, price, and easy-payment plan,
