

DR. McLAUGHLIN CLAIMS SUCCESS

Is Due to Electrical Energy.

What happiness is there in life without HEALTH? Who achieves success in any walk of life without ENERGY? "To the swift the race, the battle to the strong." In this 20th century of progress the man who reached the front ranks is the **PUSHER**—the man of **VIM** and **VIGOR**! When this fellow shakes your hand, he looks you in the eye and gives you a grip that makes you notice him. This man has friends, and lots of them. He believes that when you laugh "the world laughs with you." Such a man will get to the front even if his education is limited to the "Rule of 3." When opportunity knocks at his door he is on the spot ready always to make the most of life's possibilities. What is the keynote of his success **MAGNETISM**—**ELECTRICITY**. They are one, and the same thing. His body if full of it, for he has lived right; he has not abused Nature's laws, but has guarded his **HEALTH**—truly man's greatest capital; or if ever he has fallen into dissipation and excesses, he has not polluted his system with drugs, but has used **Electricity**—the **DR. McLAUGHLIN ELECTRIC BELT**—the natural remedy for restoring vitality—and thus again has quickly taken his place as "a man among men," and has profited by his experience.

MR. C. H. MELVIN, Aylesford, N. S., says: I am going to tell you how things are with me now. I do not remember when I felt so well as I do now. I have not had an ache or a pain since I began using the Belt. I sleep well, and when I awake in the morning I am ready to spring out of bed. I feel so happy and well that I can hardly believe that I am the same person.

Contrast this man with the other, who walks as though he had lead on his shoes, whose looks, whose talk, whose sallow skin and shifting eye, all tell the dark story of his misfortune; a body racked with pains and aches, shattered nerves, and a mind unable to think for himself; getting the crumbs of life's opportunities, while his successful rivals walk away with all the prizes. You had just as good a start, but you allowed appetite, desire, passion, to get the best of you, and fooled away your chances. "It's never too late to mend." You can yet win out, as thousands of others have done, if you will let me show you the way. Yes, but you are taking some medicine now and want to see what that will do for you. You can save your stomach that expense if you will come to me and tell me all about your case now. I want to show you what my **DR. McLAUGHLIN ELECTRIC BELT** has done in the way of curing Lost Vitality, sleepless nights and wretched days, nervous disorders, kidney and bladder troubles, weak back, loss of appetite, poor digestion, pains and aches, loss of energy and ambition.

GOSSIP.

At the Aberdeen ram sale, on Sept. 21st, 1,200 Leicesters and 200 Oxfords were offered. The bidding was brisk, and the prices satisfactory. The highest price of the day was £20, for the first-prize Barrellwell Leicester shearing, paid by Mr. Sinclair, Boardhouse, Orkney. The highest average from one flock (Newmill) was £9 7s. 6d. The highest price for a Leicester ram lamb was £10 5s., and the highest average, £5 11s. The highest price for an Oxford ram lamb was £7 15s., and the highest average, £5 12s.

SCOTTISH RAM SALES.

At the Kelso ram sale, Sept. 19th, 2,676 rams were catalogued, of which 998 were Border Leicesters, and 1,300 Oxford, Suffolk and Hampshire Downs. The highest price paid was £280 for a Border Leicester ram of the flock of Messrs. Smith, Leaston, whose 30 rams averaged £85 13s. The top-priced sheep was bought for New Zealand. Mr. Templeton, Sandyknowe, got the second highest price, 160 guineas, and the highest average, £40 5s.

J. R. JOHNSON'S IMP. CLYDESDALE SALE.

In England and Scotland to-day there is an advance of at least twenty-five per cent. in prices for Clydesdale fillies over that of last year, and as the margin of profit for importers last year was a very close one, it does not require a very intelligent mind to understand that very few fillies will be imported this year, as the price obtainable in Canada would not at all pay. This, coupled with the fact that there is no falling off in price or demand for draft horses, and nothing in sight to indicate an easing off in either price or demand for some years to come, is certainly enough to make farmers who were wise enough to stock up with a good brood mare or two last year, pat themselves on the back for their foresight. Without doubt the banner chance of this year to get high-class brood mares will be at the Royal Hotel stables, at Woodstock, on Wednesday, Oct. 30th, when Mr. J. R. Johnson, of Springford, Ont., will sell, without reserve, 42 imported Clydesdale mares and fillies, from one to five years of age. It is well known that Mr. Johnson's importations in the past were among the best brought over. Selected in Scotland, not on account of their cheapness, but for their superior type and rich breeding, his past offerings have been eagerly bought up by critical buyers. All in this lot have been in the country nearly a year, consequently are thoroughly acclimatized and in good condition. They are an extra good lot, big and smooth, with a heap of draft character, standing on the very best of legs, feet and ankles, and are bred on Scotland's most fashionable lines. In age, they are represented as follows: One six-year-old, four four-year-olds, six three-year-olds, eight two-year-olds and twenty one-year-olds, besides four spring foals, two of which are imported in dam; three of them are filly foals, and the other one a colt. A great many of these have from four to six registered dams, none fewer than two. All are recorded in the Canadian National Book, and are the get of such well-known and fashionable sires as Michaboe, Gregor Gartley, Carthusian, Dunure Castle, Prince Tom, Baron St. Clair, Montrave Mac, Darnley Again, King Dick, Sir Hugo, Brooklyn, Baron McEachran, Golden Gleam, Stainsby Boy, Grand National, Prince of Millfield, Sir Randolph, Gartley Squire, Carbineer, Caledon, Cairnbrogie, Chieftain, Prince of Craigwillie, Harvester, Knight of Albion, Royalist, Royal Petty, Mains of Airies, Baron Ruby, Darna's Chief, Gay Briton and Lord Elgin. Many of these sires have been imported to Canada and are well known here. A great many of the others are well known as among Scotland's greatest. All the fillies, two years of age and over, have been bred, and are supposed to be in foal; nearly all of them are beyond doubt. There are likely to be very few fillies imported this year, and certainly there will be no better opportunity to stock up, and no better lot will be offered than at this sale. Terms cash, or eight months' on bankable paper, with six per cent. Catalogues on application to Mr. Johnson, Springford P. O., Ont.
