

Was Weak and Run Down WOULD VERY OFTEN FAINT AWAY

Mrs. J. H. Armstrong, Port Elmsley, Ont., tells of her experience with

MILBURN'S HEART AND NERVE PILLS.

She writes: "It is with gratitude I tell how your Heart and Nerve Pills benefited me."

"I was very weak and run down, had headaches nearly every day and very often would faint away, in fact, my doctor said that sometime I would never come out of the faint. It was through one of your travelling agents that I was induced to try Milburn's Heart and Nerve Pills and after taking three boxes I am glad to relate it has been a number of years since I had a fainting spell and scarcely ever have a headache. Too much cannot be said in praise of Milburn's Heart and Nerve Pills, for in me they have effected a perfect cure."

Price 50 cents per box or 3 boxes for \$1.25, at all dealers, or The T. Milburn Co., Limited, Toronto, Ont.

RIVER VIEW HORNED DORSETS.

The River View flock of Horned Dorset sheep, the property of Mr. H. Bartlett, Kimbo P. O., Ont., although for several years past at Toronto and other leading shows among the best, and winning their full share of honors, were never stronger in number nor in quality than just now. Last year at Toronto they won first for Canadian-bred flock, this year they won second for same, besides, of course, several other prizes. The stock ram is Hambro (imp.), now two years old, and is for sale, as are also a number of shearing rams and ram lambs, shearing ewes and ewe lambs.

CONCRETE BLOCKS IN FERNIE FIRE.

The recent disastrous forest fires which swept Fernie, B. C., and adjacent territory, with great loss of life and property, have proved a valuable, if costly, lesson to the owners of buildings in that territory, says Cement Age of New York. In all of the fire-swept district in the town of Fernie, which includes all of the business portion of the town, there are left standing but two business blocks and one residence, and these are built of concrete blocks. The Canadian Daily World is authority for the statement that "concrete seems to have much better resisting qualities against heat than brick, as all of the brick buildings were burned, and many of the merchants who plan to rebuild, express their intentions of using concrete, either in block or monolithic form, as a guarantee against future loss."

LAST CALL FOR JOS. AKITT'S SALE.

The date, October 1st, place of sale, two miles north of Inglewood Station, C. P. R. and G. T. R., where conveyances will meet all morning trains on day of sale; reason for selling, Mr. Akitt has sold his farm and is disposing of all his chattels and stock to the highest bidder, positively without reserve, so that visitors can rest assured there will be no side bidding nor any withdrawals. The class of cattle to be offered are the best possible kind for the farmers of Ontario; they are large, heavy cattle, early-maturers, excellent doers, carrying large, well-developed udders, and certainly are heavy milkers, a kind that will pay profitable dividends at the pail, or profitable dividends for the butchers' stall. The stock bull is one fit to be at the head of any herd, and his get to be sold proves his worth as a sire. Make a point to attend this sale; you will not be disappointed.

DAIRY SHORTHORNS AT AUCTION.

Having sold his farm, Clover Leaf, 2½ miles south of Belgrave Station, G. T. R., Mr. R. Corley will, on Wednesday, October 7th, 1908, at the farm, sell by auction, without reserve, his entire herd of 33 head of dairy-bred Shorthorn cattle. This is one of the best milking herds of Shorthorns in Canada. Bred essentially on those lines, founded on the English dairy-bred cows, Imp. Princess =419= and Imp. Rosina =481=, for 18 years particular attention in the selection of stock bulls has been paid to the type and breeding, only those conforming to Mr. Corley's idea of what a dairy-bred Shorthorn should be has been used, and the result of this judicious selection is a herd of moneymakers, profitable alike for the breeding of big, easy-feeding steers, or for the cheese or butter factory; just the kind of cattle that will do a vast amount of good in the hands of any intelligent farmer. The terms of the sale are: Six months' credit on bankable paper, or 6 per cent. per annum off for cash. On the day of sale conveyances will leave the Exchange Hotel, Wingham, on arrival of the noon C. P. R. and G. T. R. trains. Morning trains will also be met at Belgrave Station, G. T. R., and Blyth, C. P. R. Catalogues on application. Fuller particulars of the breeding of the herd will appear in next week's issue.

FAIRVIEW HERD offers you another son of the great Pontiac Korndyke, who has more high-testing daughters in Advanced Registry than any other living bull. We have four of his daughters that have seven days records that average over 28 lbs. each, and over 4% fat. This young bull was born Nov. 2, 1907, is two-thirds white, and a beauty. His dam is sired by a son of De Kol 2nd's Paul De Kol, the sire of Aaggie Cornucopia Pauline. You cannot find better breeding than this. First check for \$150 takes him. E. H. DOLLAR, Heuvelton, St. Law. Co. N. Y. Near Prescott, Ont.
