Steel Alloy Church and School Bells. Send for Catalogue. The C.S. BELL CO. Hillsboro, O.

Over fifty boys and men of Repton, Derbyshire, including several of the pupils of Repton School and Boy Scouts, put in a hard afternoon and evening's work on a recent date in the churchyard of the parish church of St. Wystan in a valiant effort to improve its appearance. Noticeable figures were the vicar and churchwardens in shirt sleeves. They worked with great energy, and a number of ladies also applied themselves to the task, and good progress was made with the undertaking. It is intended to make a number of similar combined efforts in order to make the graveyard of this ancient church one of the neatest in the country.
