REV. J. O. MILLER, M.A., D.C.L.,  
Principal

Wear Potter's Glasses.

## Toric Lenses

Deservedly Popular

Many wearers of spectacles and eye glasses do not realize the value of the TORIC lens.

They are perhaps satisfied with their flat lenses, while admiring the graceful form and distinctive appearance of the newer kind.

Appearance is Not All.

The eyes behind the deep curves are comfortable, with easy and alert sight in all directions. There is no restraint in the rapid movement of the eyes; no impediment to clear vision.

If you are wearing the flat form now, may we explain the advantages of Toric lenses to you, and, if your glasses are not giving good vision, may we help you by making a test of your eyesight and supplying new lenses accordingly.

The prices of Toric lenses: Spherical powers, \$2.00 per pair; Astigmatic powers, \$4.00 to \$5.00 per pair.

## THE BEST OF ALL

—FROM AN ONTARIO S.S. SUPERINTENDENT.

Dear Sir:

I wish to express my great appreciation of the Bible Lesson columns in the "Churchman." I believe no more helpful commentary on the Lesson is to be had. I take several Lesson Helps, but I like my "Churchman" best of all.

Trusting success may attend the new management,

Faithfully yours, J. B. D.

A few live men and women are wanted to act as agents.
