

Fairbanks Scales

Made weighing accurate. Built for all classes of material they will weigh accurately within the limitations accepted by common practice. The Fairbanks Springless Dial Scale with its quick reading dial, will save from 20 to 50% of your time.

Fairbanks Morse Pumps

For high or low pressure with valve pot pump end or otherwise. They are made in styles to suit any purpose and to handle any liquid or semi-liquid. They are extremely simple in construction and all parts are absolutely interchangeable.

Valves

Fairbanks-Valve discs may be replaced in one minute without disconnecting the line. All Fairbanks Valves are packed with Plametto Packing.

Track Tools

Gauges, Drills, Shovels, Picks, Hammers, Railway Motor Cars, Industrial Track.

Engines

Fairbanks-Morse Oil and Gasoline Engines are always chosen by Government and individual alike, when power is required in isolated communities. They will serve you well and economically.

Electric Motors

For distant control or heavy service the Fairbanks-Morse Internal Starter Motor, is unequalled. They are very economical and will take less power to start under full load than any other type of motor.

MINING equipment must be, above all, reliable, always ready for work when needed, and capable of withstanding the severest service.

It is just such equipment that we offer for your consideration.

Each line is built by leaders in it's field and is above all strong and reliable.

Let us submit quotations on goods to fill your various requirements

Pipe

Byers Genuine Wrought Iron Pipe gives uniform, dependable, continuous service. It is remarkably free from sudden failures and is ready for almost any emergency.
