

JUST ONE MORE DIRECT PROOF THAT DODD'S KIDNEY PILLS CURE PROMPTLY AND PERMANENTLY.

All Forms and Stages of Kidney Disease—New Brunswick Man Tells of Terrible Urinary Complaint Banished Once and for All.

St. Mary's Ferry, York Co., N.B., April 25.—(Special)—Thomas Harrison, a well-known resident of this place adds his testimony to that of the thousands who have proved that Dodd's Kidney Pills cure promptly and permanently any form or stage of Kidney Disease. Mr. Harrison says:

"Some years ago I began to suffer from pain in the back, accompanied by a lethargy impossible to overcome. I was attended by a physician but continued to grow worse, and began to pass bloody urine.

"On the advice of a friend I started using Dodd's Kidney Pills, and by the time I had taken one box I passed a stone which is now in the doctor's possession.

"Three boxes of Dodd's Kidney Pills cured me completely, and though it is now years since I was cured I have had no return of my old complaint." Dodd's Kidney Pills cure the Kidneys, and with sound Kidneys you need never fear Urinary complaints.

COULDN'T DO WITHOUT HIM.

A theatrical company had arrived at an "out-of-the-way place" in the Western States and duly occupied the Town Hall and Opera House, a kind of barn which also served as a school house in the daytime and a chapel on Sundays.

The local musicians were impressed into the orchestra, and the rehearsal commenced. The man who played the flute was outrageously bad. The manager bit his lips and groaned for a time, but was at last obliged to say:

"See here, Mr. Flute-player, we shan't want you."

"What's that?" cried the instrumentalist.

"We must dispense with your services."

"You can't," retorted the musician. "If I don't play the flute, you can't perform. I'll withdraw your license I'm the mayor of this city!" He played.

Miss Fussanfeather—"There's my friend, Mrs. Hillier. She moves in the best society." Mrs. Yeast—"Yes; I suppose she finds it cheaper to move than to pay rent."

Saves the Dying

Doctors didn't give Mrs. James long to live—but Dr. Agnew's Cure for the Heart toiled them and cured her.

For fifteen years Mrs. John A. James, of Warton, Ont., was a great sufferer from Heart Disease. For days at a time she was confined to bed, and it seemed as though every breath might be her last. Her physicians said that she might "drop off" any minute. With her lying that "while there's life there's hope," she started using Dr. Agnew's Cure for the Heart. Three bottles cured her.

This remedy relieves in thirty minutes and cures every form of heart disease and nervousness. 26

SENTENCE SERMONS.

Mercy is never mushy. Regret cannot uproot wrong. Labor is the salt of our lives. Doubts make a poor refuge from duty.

It takes more than a fence to make a garden. A shallow man usually has his soul in his skin.

There is no clear thinking apart from clean living. Man's noblest right is that of giving up his rights.

Rest is religion's opportunity for reinvigoration. Present character is a prophecy of future condition.

Nothing blinds the soul quicker than winking at sin. He who loses no love for others loses all life for himself.

Respectability may be quite different from righteousness. The worst blasphemy is that of profession without practice.

Platitudes against sin are as harmful as applause for sin. In the divine scales a dime often weighs more than a dollar.

No man has any spiritual blessing that he can keep to himself. No condemnation of wrong is so effective as the commendation of right.

The friends we can never lose are the ones we say we have lost in death. A man is worth what he takes out of the world, not what he leaves in it.

God cannot blot out the past, but he can prevent its blight on the future.

"My Kidneys are all Wrong! How shall I insure best results in the shortest time?" It stands to reason that a liquid specific of the unquestionable merit of South American Kidney Cure will go more directly and quickly to the seat of the trouble than the "pill form" treatment, and when it strikes the spot there's healing in an instant.—73

LIFE-SAVING GLOBES.

Successful trials were made recently on the dangerous coast of Jutland with two of the life-saving globes invented by Captain Donvig. The wind was blowing a heavy gale, with dangerous breakers on the reefs. The first globe was filled with ballast equal to the weight of twenty men; the other, in addition to the ballast, contained five persons, including the inventor. The globes fully proved their stability and seaworthiness. Captain Donvig's invention is a small, globular vessel about 20 feet in diameter. About twenty persons can be seated round it inside. The means for obtaining air, even when the vent is sealed down, are very ingenious and practical.
