

THE MEDAILLE MILITAIRE WON BY ASPHODEL BOY

Serjt. Percy Edward Andrews, Son of Mr. and Mrs. David Andrews, Who Live Near Norwood, Decorated by French Government For Valor at Battle of Zillebeke in June, 1916—A Related Recognition by Home Folks.

The Medaille Militaire, the French military medal, equivalent to Britain's Victoria Cross, was won by Sergeant Percy Edward Andrews, of Asphodel Township, at the battle of Zillebeke in the Ypres salient on June 2nd, 1916. Before a crowd of Norwood and other East Peterborough citizens, Sergeant Andrews received from the hands of His Honour, Judge Huycke the parchment certificate, the warrant of his

decoration, from the French Legion of Honour. It is significant that the number of Sergeant Andrews' brevet (certificate) is 3539. In other words, since the medal was struck in 1852, the number of persons whom France had found worthy of receiving it was only 3539, and the 3539th Medaille Militaire was bestowed on a Peterborough County boy whom Norwood claims as its own.

These few facts may convey some idea, wholly inadequate, of the renown that has come to Sergeant Andrews, and reflexly to his parents, Mr. and Mrs. David Andrews, who live three miles north of Norwood, and to his native County of Peterborough.

Happy Function at Baptist Ch.

Reception and Presentation to Rev. W. H. Wallace and Mrs. Wallace

Victoria Ave. Baptist Church was last evening the scene of a unique function, a reception to the new pastor, Rev. W. H. Wallace and Mrs. Wallace, and a presentation to them of a beautiful dinner set on the occasion of the twentieth anniversary of their marriage. The presentation was to the recipients an entire surprise and Rev. Dr. Scott, of Bridge Street Methodist Church made the affair still more bewildering to Rev. Mr. and Mrs. Wallace as he made them renew their vows.

Rev. Mr. Wallace has already a firm hold on the affections of his congregation and the opinion was freely expressed that his pastorate will be one of the most successful in the history of the Baptist congregation in Belleville.

Mr. W. B. Riggs occupied the chair and was in his usual happy mood. After the singing of the doxology, Mr. Riggs outlined the purpose of the gathering, which was to welcome the new pastor and his wife. Mayor (Dr.) Platt made a short speech, full of wholesome advice, as to the treatment of the minister. The Misses Laura and Eva LaVoie rendered a piano duet. The Rev. A. M. Hubby on behalf of the Ministerial Association welcomed the new pastor. He had, he said, welcomed five Baptist pastors to the city and he hoped for Mr. and Mrs. Wallace a successful sojourn in Belleville. Mr. Hubby spoke of the kindly fellowship existing between the Reformed Episcopalians and the Baptists of Belleville. Miss Mildred Lloyd gave three delightful readings in which she showed an excellent sense of art.

Adjutant Trickey of the Salvation Army rendered two cornet solos in fine style. Inspector Captain T. D. Ruston of the Children's Aid Society welcomed Rev. Mr. Wallace on behalf of the neglected and dependent children of the city and district. A quartette was sung by Miss Forman, Mrs. Doolittle, Mr. Kelly and Mr. Lorne Deaton. Mr. John Cockson rendered a trombone solo very acceptably. Miss Neve Deaton and Mr. Lorne Deaton sang a song very exquisitely. Mrs. Doolittle and Miss Forman rendered a vocal duet. Rev. A. S. Kerr, of St. Andrew's Presbyterian Church, Adjutant Trickey of the Salvation Army, Secretary P. F. Brockel of the Y.M.C.A., Deacon James Riggs on behalf of the church, Superintendent Fred Cook on behalf of the Sunday School extended greetings to the pastor and expressed best wishes for the future work of the church.

Rev. Mr. Wallace and Mrs. Wallace expressed their gratitude for the kind words of those who had spoken and offered their best in the interests of the church and city. To Rev. Dr. Scott of Bridge St. Church fell the happy task of introducing the presentation. It was twenty years ago yesterday Mr. and Mrs. Wallace were united in marriage and Dr. Scott had them again take hands and make over again the vows of marriage. The pastor and Mrs. Wallace had not been let into the secret of this part of the program and were rather non-plussed for the moment. Then a surprise came. Mr. Wm. Faulkner stepped forward, read an address and Messrs. A. Blackburn and B. F. Butler presented on the congregation's behalf at the proper time a handsome dinner set. Mr. Wallace in the midst of these surprises made a most happy response.

The formal proceedings wound up with the singing of "Blest Be the Tie," and the National Anthem and then refreshments were served to

those present by the ladies of the congregation. The address to Mr. and Mrs. Wallace read as follows: Belleville, Ont., July 5, 1918. To Pastor and Mrs. Wallace on the occasion of their public reception and also of their 20th wedding anniversary.

Dear Friends,—

The members and friends of the Victoria Avenue Baptist Church consider it a happy coincidence that on the occasion of your public reception into the ministry of this church you should also be completing twenty years of happy wedded life. We trust that this pastoral union, just begun, may have an added significance by reason of this happy fact. Our Saviour hallowed by His presence the wedding at Cana in Galilee, and Paul declared that "Christ also loved the Church and gave Himself for it." Thus in a very real and spiritual sense a pastorate takes on the close and vital relationships of the marriage tie. We know that such a union can only be fully blessed if every member of our church is a loyal supporter of the pastor and his wife in all their efforts for the advancement of the Master's Kingdom in this place.

We believe we can pledge you the co-operation and friendship of all the members of our church and congregation in all your endeavors for Christ and His Church. We know that it will take time for you and your good wife to become acquainted with us, and also for our people to learn to know and appreciate the character and service of yourself and Mrs. Wallace, but we feel sure that the experience of our former pastor will be yours also; namely: that we have in this church a devoted, and consecrated group of members whom you can count upon at all times to render faithfully any service within their power.

We are happy in having the good will of our Sister Churches in Belleville, as experienced in the presence here tonight of their pastors and other Christian friends. We feel sure that you will share in the great movements, both social and civic that make for righteousness in our city, and that in the future, as in the past, our church, through your leadership, will take a leading part in every Christian reform and philanthropy in Belleville. May God richly bless you and your dear wife in this new pastorate.

As a memento of your wedding anniversary, we ask your acceptance of this dinner set donated by the members and friends of our church.

Two Memorials Presented

Havelock, July 5.—(Special)—Two memorials have been presented to St. John's Church here to keep green the memory of two heroes who fell in the war. Mrs. Blackford and her little son have presented a font in memory of the husband and father, and Mrs. Frank Watson a handsome alms plate in memory of her brother, Pte. Albert Woodhead.

Miss H. Boyce of Wooler, was in the city over the week-end.

Capt Hart was home from the Trent Canal over Sunday with his family.

Miss Lois Thompson of Belleville, is visiting at "Ousemore"—Norwood Register.

Mr. and Mrs. Crawford Craig of Trenton, were visitors in the city Saturday.

Miss Winifred Flindolls spent the week-end in the city the guest of Miss Tilley.

Pupils Give Piano Recital

Miss Dobby's Class Distinguished Themselves—Prizes Presented. At Holloway street Methodist Church on Friday afternoon a delightful piano recital was given by pupils of Miss L. Dobby. Among those taking part were, Margaret O'Neill, Winifred Black, Dorothy Vandewater, Catherine Bailey, Bessie Vandewater, Helen Jones, Mildred Mitts, Clancy Hall, Miss McDonald Ross Farrell and Frances Potter. The young artists distinguished themselves in their clever playing and brought credit upon their teacher. Readings were given by Misses Elsie Verex and Ray Farrell. Prizes were presented to Dorothy Vandervoort and Catherine Bailey for studious attention to their musical studies and to Master Ross Farrell who passed his first examination for the Toronto Conservatory of Music. Little Miss Mitts, the youngest of the younger performers gave an excellent piano study.

Patriotic and Red Cross Red Party

Last evening the Woman's Red Cross and Patriotic Association of the City of Belleville held one of the most successful lawn parties which has been held in this city on their behalf. Mr. and Mrs. P. E. O'Flynn placed their grounds at the disposal of the association for the afternoon and evening. The grounds were decorated with flags and bunting, artistically arranged and the arborgs and terraces lent themselves to the arrangement. Tables were placed about the ground by the different departments of the organization.

At one table tea was served, Mrs. Col. Lazler, the president of the association and Mrs. E. Guss Porter presiding. Another table in charge of Mrs. Boyes, with able assistants, displayed home-made cooking and the readiness with which the food was appropriated is ample evidence of its good quality and the ability of the ladies in charge to dispose of their wares. The flower tables were beautifully decorated with rare and dainty flowers and were in charge of Miss Corby, Miss Ida Thompson, Miss Kelo and Miss Helen Rathbun, who disposed of all flowers before the close of the party. The ice cream tables were in charge of Mrs. J. E. Borbridge, and a large and efficient staff of assistants, who were the hardest worked members of the association. The fish pond drew the usual crowd and was managed by Mrs. Waddell, Mrs. Florie, Miss Corbett and Miss Newton. The pond was fished completely dry some time before the hour of closing had arrived. The music was furnished by the band of the 15th regiment, who were in the locality to the association, turned out seventeen strong and furnished music which was very much appreciated. American flags were hung in conspicuous places with Canadian and British banners. The rare flowers, roses, forget-me-nots, primroses all gave charm to the scene.

Small tables were placed throughout the grounds in cosy niches and corners and the scene of the moving crowd, the varied costumes, the decorations, the flowers and the music with the children roaming around through the crowd is one that will not be soon forgotten by those present.

Here and there could be seen groups talking of loved ones beyond the seas, and the splendid success of the occasion is only one of the many successful things done by the Woman's Red Cross and Patriotic Association of the city of Belleville.

The receipts exceeded the expectations of the ladies and when the band played "God Save the King," at 9:30, a happy crowd passed out under the arches and wended their way homeward.

Miss Gene McIntosh is visiting friends in Toronto.

Mr. and Mrs. MacGregor, Belleville, are the guests of Mr. A. MacGregor, Napanee.

Masters Frank and Joe Hitchon have returned from a visit to friends in Campbellton, N.S.

Miss Marguerite Gallagher of Belleville, is visiting her aunt, Mrs. James Quinn in Tweed.

Mr. and Mrs. D. Brown and Mr. and Mrs. O. E. Ashley, of Napanee, motored to the city yesterday.

Miss Nettie Wright of this city is visiting her brothers, Messrs. Alfred and John Wright in Brockville.

JOHN FITZGERALD CHARGED IN THE POLICE COURT

With Assault on Ross Reid and Causing Actual Injury—Unfortunate Shooting Occurrence Near Shannonville at Charivari.

In the police court in Belleville on Saturday afternoon, John Fitzgerald, a well-known Thurlow farmer, appeared on a charge of assaulting Ross Reid, a Thurlow farmer, about 24 years of age, on Friday night, causing him actual bodily harm. As the condition of Mr. Reid is such that he cannot attend for some time, the case was laid over for a week, and Mr. Fitzgerald was given bail under \$2,000.

These criminal proceedings came as an aftermath of an unfortunate occurrence on Friday night about 11 o'clock, when Ross Reid was shot in the back with a charge of shot. The story runs as follows: A charivari had been arranged in honor of the pupils of Mr. Henry Fitzgerald, son of Mr. John Fitzgerald, Mr. Pat Fitzgerald, a brother, it seems, persuaded young Reid to come over to

the affair, who finally consented reluctantly. When the charivari was at its height, Mr. John Fitzgerald came out with a shot-gun, with what motive remains to be shown. Some thought he came out to join in the celebration. Any how suddenly in the pitch darkness there was an explosion and young Reid fell. The gun stopped when it was realized that Ross Reid was shot. He was found bleeding profusely from a wound in the back, to the left of the spine and above the waist. A car was secured and he was rushed to Belleville hospital. Dr. J. J. Robertson of this city was called to his attendance. The wound was quite large. The gun had apparently been discharged at pretty close range as the shot had not spread very much. A small piece of one of the sections of the spine had been carried away. However neither the lung nor heart was injured. There had been a heavy loss of blood, but Reid's youth and health will stand him in good stead, although his condition is serious.

A TWEED BOY GOES DOWN WITH THE LANDOVERY CASTLE

Capt. George Luther Sils Finds a Watery Grave at the Hands of the Huns, Who Make Old Satan Blush with Their Acts of Foullest Beastliness.

A German submarine, 70 miles from the Irish coast, on the night of June 27, torpedoed the 11,000-ton hospital ship Landoverly Castle, which had been chartered by the Canadian Government and had been in the service of carrying wounded and sick from England to Canada for many months past. The ship was then on her way to England. She had on board 258 persons, including 80 men of the Canadian Army Medical Corps and 14 female nurses.

Only 24 Survivors.

Up to the latest reports only 24 of those on board, including the captain, have survived the treacherous attack, which came without warning.

One of the officers abroad was Capt. Dr. G. S. Sils of Tweed. Searching ships were immediately

dispatched to the scene but failed to find or rescue any more survivors than what have already been reported.

It is evident that another of our Tweed boys has been summoned to make the supreme sacrifice.

Luther Sils, as he was familiarly known amongst us, was a popular young man, honored in his life, now honored in his death, for it is really glorious to go down fighting so gallantly in such a cause.

We mourn his death but the memories of his life and work will be inscribed upon the tablets of our hearts.

Death Officially Confirmed.

Thursday evening Mrs. Wm. Stewart, sister of Capt. Sils was officially notified that he was reported drowned—Tweed News.

District Dashes

By a vote of three to two, Havelock Council, sitting as a Court of Revision, struck off all income assessments as the result of considering an appeal of one ratepayer that his assessment was too high. A citizen has appealed to the judge, protesting that the striking off was contrary to law. The appeal affects the income assessment of fifty-five different persons.

By the will of the late John Ross Robertson, bequests of five hundred dollars were made to Ralph Britton and Muriel Britton, both of Gananoque, Ont., and Margaret Bedford Jones, of Brockville, Ont.

Andrew Gardiner, Westport, fireman on the Canadian Northern Railway, met with an accident at Forfar which cost him the loss of two fingers of his right hand. Upon the arrival of his train here Gardiner was removed to St. Vincent de Paul Hospital where the injured fingers were amputated by Dr. Cornell. In attempting to board the engine at Forfar he slipped and fell, a wheel passing over his hand. Temporary aid was given by Dr. Hartie when the train reached Athens.

The citizens of Picton, in order to provide against the shortage of the food problem, have taken a deep interest in gardening this season. Every available spot apparently has been utilized and notwithstanding the climatic conditions which have been unfavorable to rapid growth, yet there are many that promise well. Of the many gardens which the writer has been privileged to see, none are more advanced or give promise of better results than Mr. J. J. Redmond's, Bowery and Barker Sts.

At a meeting of the Trustees Board of the Picton Methodist Church on Wednesday of last week, it was decided to offer the Main Street Church property, including church, parsonage, organ, etc., for sale.

The annual fish dinner at Long Point was well patronized Monday, threatening weather apparently having small effect on attendance. Dr. and Mrs. Marshall, of Belleville, were among those motoring from that city to keep the holiday on these far-famed picnic grounds and enjoy meeting with a host of old-time friends. Many cars filled with passengers went from Picton, while the surrounding country was well represented.

The Hydro substation equipment, transformers, meters, etc., have been purchased for the Picton and Wellington substations. Arrangements have been made to rebuild the distribution system in Bloomfield, as soon as construction gangs can be released from other work to take charge of this construction. The details of the route of the high-tension line are still in abeyance. As soon as this matter is satisfactorily settled, arrangements will be made to begin line construction from Trenton to Picton. With regard to the purchase of electric pumps, the municipality will be advised in plenty of time to have this equipment ready when service is given from the Hydro lines.

On the eve of his departure from Picton, Rev. M. E. Sexsmith, B.A., L.L.B., who has for the past three years been pastor of the Main St. Methodist Church of that town, was presented with an address and a purse containing \$350. The presentation was made at the parsonage on Mary St., with quite a number of the friends of the retiring pastor present, including several representative citizens of town and county.

Telephoning From Trains

TESTS WAS SUCCESSFULLY CONDUCTED AT MONCTON INVENTORS LIVE IN TORONTO

A device for telephoning from moving trains has been patented by Isidor, Abraham and Samuel Berliner, of Toronto, father and sons, and has been successfully tested on the Intercolonial railway at Moncton, N.B. The apparatus permits voice transmission being automatically and directly made through the ordinary car wheel and axle, and rails properly bonded for the block signal system.

The invention consists of an apparatus including standard equipment of an ordinary phone, retarding or repeating coils, and

strument connecting it with the wheel. Connection can then be made between various parts of the train, or with other trains, or with despatching offices or with city lines, it is claimed. Three conversations can be held at once, and the tone of the voice is said to be absolutely clear, and one cannot tell that the train is moving. The device, which is simple and inexpensive, can be attached to a car in three hours.

The same inventors have also submitted to the United States Government a device for detecting submarines.

WHY DODD'S KIDNEY PILLS HOLD THEIR POPULARITY.

Dame Clement Collin Tells Why She Recommends Them to Her Friends—How They Have Made Their Reputation.

Breche A. Manon, Que. July, 8.—(Special).—Among the many friends Dodd's Kidney Pills have made in this part of Quebec is Dame Clement Collin, a well-known resident of this place. "I received great relief from Dodd's Kidney Pills," is the reason she gives for always recommending Dodd's Kidney Pills to her friends, and she adds that a great deal of her health and vigor is due to the help she got from the great Canadian kidney remedy.

Dodd's Kidney Pills hold their popularity not because of the promises they do. They are no cure-all. They are purely and simply a kidney remedy. The reason they are credited with cures of rheumatism, heart disease, dropsy, etc., is because all these diseases are caused by sick kidneys. Cure the kidneys, and the cause of the disease is removed.

Dodd's Kidney Pills have made their reputation as a kidney remedy by the cures they have made. Ask your friends about them.
