

### CHOIR GAVE FINE CONCERT

Park Baptist Organization Rendered a Very Pleasing Programme,

At Park church last night the choir under the leadership of Mr. J. C. Cornelius gave one of the finest concerts of the season.

There is genius we are told required in arranging a successful programme and in choice of music, and it must be so, for while the evening lasted there was quite an absence of that hesitation and minor hitches which mark many otherwise fine musical programs.

Opening in an anthem "Lift Up Your Heads" the choir sang in splendid unison and with swinging melody, a sign of close practice and strenuous endeavor throughout the winter training. A violin solo, "Mazurka de Concert" played with technique, skill and an artist touch, marks Mr. E. Misener as one who in days to come will attain great eminence and the encore Arisio (Händel), only served to further delight the large audience present.

Mr. E. Roberts, a capable baritone, sang "Thou Art Passing Hence," and while he adapts himself to many airs, this song undoubtedly showed his rich full voice at its best.

A part song, "Ah, Could I in Fancy Stray," was rendered by the choir and splendidly executed, which was followed by a reading from Miss Ina May Jones entitled "A Rural Theft." Elocution demands much of its votaries. Miss Jones, however, can rest easily on the knowledge she has of this accomplishment.

A song "Voice of Home," one of those heart songs which delight generation after generation of singers was rendered by Miss Cornelius in a rich sweet contralto voice. The quick appreciation of the audience at her

appearance on the platform and their encore testify how far she goes to delight.

Park Church Quartette, who by the way always sing unaccompanied rendered "The Banks of Allan Water" in their usual harmony and combination.

The Andante Movement from Mendelssohn's Concerto, is difficult, but a master of his violin, Mr. Misener with the talent of mind, bow and fingers gives its expression and charms even those who cannot fully interpret classical music.

The silver tenor Mr. Southworth sings quite out of the usual for male voices but succeeds exceedingly; his favorite "Where're ye Walk" was well chosen and finely sung.

"Ye Banks and Braes," and "Since First I Saw Your Face," were exceptional and reflect in their singing both on the choir and the conductor who it is evident has inspired them with somewhat of his own love of fine music.

Pastor Rose spoke briefly and the offertory was then taken to defray expenses.

A grand finale Handel's "Hallelujah Chorus" sung by the massed choir concluded the programme of an evening which was a pleasure all through and left one with the feeling that another turn or so would only further please.

The accompaniments were played by Mr. White. Some members of the church entertained the choir to supper at the conclusion of the evening.

#### Will Not Lose.

Those who sent money orders to Europe which were lost on the Empress of Ireland will not be "out of pocket," as duplicates of the money orders, held at Ottawa, will be copied and despatched to London.

The parties concerned will be notified and paid the money at their nearest postoffice. It is estimated that over \$140,000 in money orders went down in the St. Lawrence in the mail bags.

### EAT LESS AND TAKE SALTS FOR KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead, your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and simplify clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure; makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.

### Social and Personal

The Courier is always pleased to use items of personal interest, Phone 1781

Mr. W. L. Hughes is in Toronto to-day.

Mr. Welby Almas is out of town attending the races at the Chatham course.

Rev. C. E. Jenkins, rector of St. Jude's church, has returned from Montreal.

Mrs. W. H. McWatters, Bay street south, Hamilton, is visiting Mrs. Temple, Brantford.—The Toronto Globe.

Miss Maud Campion of this city was in attendance at the Holmes-Norton nuptials in Hamilton Wednesday.

N. R. Jenkins and wife of London, Ont. are the guests of the Hotel Belmont, also Mr. and Mrs. Miller of Hagersville.

W. H. Spohn and wife of New York city arrived in the city last evening by motor car and are registered at the Kerby House.

Mr. Arthur E. Foulds, Canadian Bank of Commerce Chambers, has discontinued manufacturers' agency in building materials to accept a position with Messrs. P. H. Secord and Sons, Limited, the large local firm of general contractors.

Mr. Hugh McMillan of Prince Rupert, B. C., left last evening for Campbelltown, Argyllshire, Scotland, after visiting his aunt Mrs. McPhail, 22 Erie Avenue. Mr. McMillan was accompanied by his friend, C. R. Averill of the Bank of B. N. A. staff at Prince Rupert.

### Y. W. C. A. Board

The Y. W. C. A. will take its part in the Old Home Week celebration for the directorate decided yesterday that they would serve tea and refreshments to all in their club rooms at the Association Building.

The board which met yesterday held an interesting session and among the other things dealt with, it was decided to allow the summer cottage scheme to hold over for a year, it having been found inadvisable to continue with the scheme at present. Funds will be raised during the year for its maintenance.

The delegation of Brantford representatives to the Summer conference at Muskoka was decided upon and it will be composed of five girls from the Trust club. Three from the Triangle club, one from the Physical Department and one from the Directorate.

Other business of minor importance having been transacted, the meeting adjourned until September, the business during the intervening months being left in the hands of the various committees.

### NERVOUS CHILDREN

The Trouble is Often Really St. Vitus Dance—Do Not Neglect It.

Many a child has been called awkward, has been punished in school for not keeping still or for dropping things, when the trouble was really St. Vitus dance. This disease may appear at any age, but is most common between the ages of six and four years. It is caused by thin blood which fails to carry sufficient nourishment to the nerves, and the child becomes restless and twitching of the muscles and jerking of the limbs and body follow. In severe cases the child is unable to hold anything or feed itself. St. Vitus dance is cured by building up the blood. The most successful treatment is to remove the child from all mental excitement, stop school work and give Dr. Williams' Pink Pills. These pills renew the blood supply, strengthen the nerves, and restore the child to perfect health. Here is proof of their power to cure. Mrs. Geo. A. MacDonald, Harrington, N.S., says: "My son was attacked by St. Vitus dance; at the outbreak his muscles would twitch and his step was weak and jerky. We called in a doctor who treated him, but notwithstanding he continued to grow worse and at last grew so bad that he could not hold a cup in his hand, while his head constantly twitched, and his speech became rather indistinct. At this juncture I saw in a paper the cure of a boy from similar trouble through the use of Dr. Williams' Pink Pills. We at once sent for a supply, and in a few weeks after he began their use there was considerable improvement, and it was not long after this before he was completely cured, and has never had a symptom of the trouble since. I am convinced that there is no medicine like Dr. Williams' Pink Pills for the cure of St. Vitus dance.

If your dealer does not keep Dr. Williams' Pink Pills you can get them by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

### SHAM BATTLE WAS CARRIED OUT CLEVERLY

Dufferins and Dragons Had Strenuous Day at Niagara—Home Tonight.

NIAGARA-ON-THE-LAKE, June 12.—The most elaborate tactical scheme yet attempted by the militia at any Niagara camp was successfully carried out yesterday after operations occupying nearly 36 hours and covering an area hitherto unworked, in which parts of the force were operating at a distance of 25 miles from camp, while the district in which the final manoeuvres took place comprised an area of two square miles, made up of hilly and broken ground that taxed the skill of the commanding officers to the full. Although neither side actually won, since a genuine battle would have been required to decide the rival merits of the two forces once they had attained their positions, the manoeuvres proved exceedingly valuable. The troops were this year given full right-of-way over farm lands or wherever else was necessary, any destruction to crops being compensated for. One outstanding feature of the manoeuvres was the excellence of the transportation arrangements and the general field service, including the work of the field ambulance. By exceptional good fortune, however, no accident of serious nature occurred throughout the entire camp.

#### The Day's Operations.

The "Brown" force, which Wednesday night bivouacked in Thorold after having driven back the advance guard of the invading "White" force, struck camp at 4 o'clock yesterday morning and followed up the retreating "Whites" to the vicinity of Decew Falls. The "Browns," who comprised most of the infantry under the command of Col. Sir Henry Pellatt, advanced, covered by their cavalry, "Whites." The 5th Infantry brigade, which drove back the cavalry of the invading "White" force, carried out an attack on the "White" force at Twelve Mile Creek, which, though unsuccessful, disclosed the position of the enemy to the "Brown" G.O.C. Orders were then given for a frontal attack by the 5th Brigade on the "White" enemy in order to pin them to their ground, while the 4th Brigade (city corps) were ordered to make a flank attack on the enemy's right and rear. The manoeuvres were carried out with some loss to the attacking force, but without either force gaining a particular advantage and the operations ceased at this point. It was stated by General Lessard, the director of the manoeuvres, that the attack was very well carried out. The work of the infantry was commented upon with special favor, the regiment which carried off the honors being the 37th Highland, which is made up half of Indians, their march, discipline and general efficiency being highly praised.

#### Good Work of Rural Corps.

Lieut.-Col. Mercer, of the Q.O.R., who was upon the staff of Colonel Sir Henry Pellatt, in command of the "Brown" force, paid a striking tribute to the work of the rural regiments upon the line of march when he declared that he had never seen better marching done in Canada than that performed by these corps. The nature of the country in which the manoeuvres were carried on gave very good opportunities to the signalling corps, who did valuable work. It was noticeable that the field ambulance wagons brought very few men into camp, as although a few dropped out on the line of march they nearly all managed to pull themselves together before the regiments returned at St. Catharines on the return journey.

The wind up of the first camp was celebrated at headquarters last night by a special dinner in the compound, at which Gen. Lesard and the members of the staff were the hosts of a number of the senior officers of the various regiments. The music for the occasion was furnished by the band of the Queen's Own Rifles, by special request of Col. Sir Henry Pellatt, and later in the evening the pipe band of the 1st Highlanders played. Those present at the dinner were: Lieut.-Cols. Moore, Knowles, Aikens, Howard, Mercer, Muir and Penchen, and Majors Roberts, McCordick, Currie, Farmer and Bels.

All the regiments are remaining in camp until to-day when camp will be struck and on the ground left clear for the arrival of the advance parties of the second camp on Saturday. The Queen's Own are expected to arrive by the afternoon boat.

#### Golf Notes

In the play off for the Fitton Cup yesterday Mr. Stanley Schell beat Mr. R. H. Reville, 3 and 2 and Mr. Hastings Whiting won from Mr. Poppewell 6 and 5. Mr. Schell has already won the cup two years in succession, and if he wins out in the remaining draws the cup becomes his property. It is a very beautiful silver trophy.

The newly arranged course was played on for the first time yesterday. It now measures some 3,000 yards, and is a good test of golf, a splendid long hole and a sporting short hole, being the outstanding features.

**Garden Party A Fine Success**  
The large lawns at Mrs. W. C. Livingston's residence, Brant avenue, were scenes of animated beauty and Oriental splendor, when the garden party of the united clubs of the Y. W. C. A. were held last night.

A more fitting night and more excellent taste could not have been imagined, the flags, many colored and Chinese lanterns swinging gently in the zephyr which played pleasantly. A babel of voices mixed in glee, spoke of the gayness of the evening, as the pretty maids and the gallant youths exchanged thoughts of the day. Ice cream and cakes were sold by charming vendors of the Y. W. C. Club, and the tables were emblazoned in the colors of the rival clubs, some red and white and others purple and white. The Triangle club was responsible for the dispensing of delicious candy, while the basketball girls, brought round the liquid refreshment. At intervals the burst of a song was heard, accompanied by violin and piano, and music was rendered ably. Fancy drills by the girls gave a pleasant interlude to an evening of charm. The effort, which was to supply funds for the sending of a delegate or delegates to the summer conference at Muskoka, was entirely successful, but as yet the result financially is not known.

Mrs. Ballington Booth went to Sing Sing and conducted an uplift meeting in the prison chapel.  
Mrs. Annie Henzel, of Williamsburg was standing at the door of her home when she heard a noise up above. Instinctively she held out both arms and into them dropped a three year old girl who had fallen from the third storey fire escape. The child escaped with a dislocated ankle.
