SHE RECOMMENDS "FRUIT-A-TIVES"

Mrs. Corbett Read the Advertisement and Tried It

Avon, May 14th, 1914.
"I have used 'Fruit-a-tives' for Indigestion and Constipation with most excellent results, and they continue to be my only medicine. I saw 'Fruit-a-tives' advertised with a letter in which some one recommended them very highly, so I tried them. The results were more than satisfactory, and I have no hesitation in recommending 'Fruit-a-tives'."
ANNIE A. CORBETT.
Time is proving that 'Fruit-a-tives' can always be depended upon to give prompt relief in all cases of Constipation and Stomach Trouble.
50c. a box, 6 for \$2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

PORT WILLIAMS

Mrs. Manuel of Halifax is visiting her parents, Mr. and Mrs. John Beazanson.
Miss Irene Gates spent last week with friends in Granville Ferry.

Mrs. Ray Frazee of Hantsport is visiting her sister, Mrs. G. H. Gates.
Mrs. Kempton Gates spent Easter with her aunt in Amherst.

Mrs. Edson Wood of Harborville is visiting her mother, Mrs. M. P. Wood.

Tuesday evening Rev. Mr. Sanford of Halifax preached to a large audience here. His subject was "The value of a man" and it was well handled. Mr. Sanford has just severed his connection with the Disciple Church, Halifax, after a successful pastorate of two years and now takes up work in Everett, Mass. While here he was guest of Mr. and Mrs. G. H. Gates whom he married in Brockton nine years ago.

There is more moving than usual going on here this spring. Mr. G. H. Gates, who has bought his brother Silas' property, is vacating the Newcombe house where he has lived for nine years.

Mr. Silas Gates moves into the new house he built three years ago, that has since been used as a boarding house for his men.

Mr. Balcom goes to the Regan House where he will still keep boarders.

Mrs. Silver will again go to housekeeping with her mother and brother in Mr. B. Chase's cottage.

Mr. D. A. Hoag spent Sunday with his family here and delighted the congregation at the Baptist Church with a baritone solo "All Joy be Thine," accompanied by Mrs. Hoag.

The choir of the Baptist Church intend going to Upper Canada on Sunday evening next (May 7th) to give a Service of Song.

The patriotic concert given in March at Citizens Hall is to be repeated by request on Monday evening next (May 8th).

Those who missed the drill of the Allied nations will be glad to know it is to be repeated. Some new music will be added as before half proceeds towards Red Cross Fund.

GRAND PRE

Miss Olga Trenholm spent the Easter holidays at her home here.

The members of Evangeline division S. O. T. held a public entertainment recently. Although night was stormy there was a good attendance and the sum of twenty-five dollars was realized—one half for Red Cross.

The services on Easter Sunday were largely attended. In the evening Miss Elderkin, returned missionary from China, spoke of her work there, and the choir gave some beautiful music.

The last meeting of the Women's Institute was at the home of Mrs. L. P. Dennison, there was a large number present,

among them Prof. Blair of Kentville who gave a very interesting address on gardening. The roadwork is being rushed along under the efficient management of Miss Annie Stuart.

Below are the averages made by the pupils of the advanced department of Grand Pre school in the third quarterly examinations. Some of the marks are low on account of lack of home study. If the parents would only attend to this part of it, instead of leaving everything to the teacher, the results would be gratifying to them as well as to her.

No report is given from Class I on account of irregular attendance.

The majority of the low averages are due to irregular attendance. Parents will note that these are the last examinations before grading and pupils who make poor marks have little chance of grading unless helped at home.

NEW STRENGTH IN THE SPRING

Nature Needs Aid in Making New Health-Giving Blood

In the spring the system needs a tonic. To be healthy you must have new blood just as the trees must have new sap to renew their vitality. Nature demands it, and without this new blood you will feel weak and languid. You may have twinges of rheumatism or the sharp stabbing pains of neuralgia. Often there are disfiguring pimples or eruptions on the skin. In other cases there is merely a feeling of tiredness and a variable appetite. Any of these are signs that the blood is out of order—that the indoor life of winter has lessened your vitality. What you need in spring is a tonic medicine to put you right, and in all the world of medicine there is no tonic can equal Dr. Williams' Pink Pills. These Pills actually make new rich, red blood—your greatest need in spring. This new blood drives out the seeds of disease and makes easily tired men, and women and children bright, active and strong. Mrs. Eugene Cadarette, Amherstburg, Ont., says: "I suffered for a long time from dizziness, pain in the back and sick headache, and nothing I took did me any good until I began Dr. Williams' Pink Pills. These cured me after taking six boxes and I now feel better than ever I did in my life. I had fallen off in weight to 82 pounds, and after taking the Pills I had increased to 100 pounds."

These Pills are sold by all medicine dealers or can be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

England to Take Closer Grip on Neutrals' Trade Connections

London, April 27—The report that Great Britain intends to tighten the commercial blockade is reiterated in a despatch from the Copenhagen correspondent of the Exchange Telegraph Company, who says there are persistent rumors to that effect in circulation there. It is stated, he added that Great Britain desires all Danish merchants to pay in advance thru London for goods purchased in America, with the object of gaining thorough control over the commercial connections of neutrals.

FOOD FOR A YEAR

Meat 200 lbs.
Bread 240 lbs.
Butter 100 lbs.
Eggs 27 doz.
Vegetables 100 lbs.

This represents a fair ration for a man for a year.

But some people eat and eat and grow thinner. This means a defective digestion and unsuitable food. A large size bottle of

Scott's Emulsion

equals in nourishing properties ten pounds of meat. Your physician can tell you how it does it.
