Preston Beat Parkdale.

PRESTON, Jan. 30.—For the first time this season the Preston senior champions of last year proved victors, when in a strenuously contested game they defeated Parkdale by 2 to 0. The locals were in good form, but the visitors did not show the class they exhibited in the match with Preston at Toronto. On the slow ice the city septette could not get going, they in the first half having many shots that fell short on their mark. Eltherington, the plucky little Preston centre, was the best man on the ice, while Walker and Mulroy, of the home team also gave a good account of themselves. For Parkdale Barlett played a splendid game, although his work did not prove very effective, and Code made several spectacular rushes. Both Shortt and Moag gave classy exhibitions in the net.

Parkdale—Goal, Moag; point, Lawson; cover, Code; rover, Reid; centre, Barlett; right wing, Edwards; left wing, Ellis.

Preston—Goal, Shortt; point, Bowerman; cover, Palmer; rover, Eltherington; centre, Walker; right wing, Rahn; left wing, Mulroy.

Hockey Gossip

Dumaw, of Berlin, will report to Tecumseh's to-day. He used to be a good man.

Midland will bring an excursion down for their game with Toronto Canoe Club, Monday night. Tecumseh's returned home yesterday minus Strike and Liffman. They have been released to the Maritime League subject to a recall. The Indians say they should have won the overtime game from Canadians, but had no excuses to offer over the Wanderer defeat. The Wanderers, with Hyland replacing Russell at centre, are a greatly improved team. Quebec and Tecumseh will open the seven-man series in Toronto tomorrow night at the arena.

Peterboro intermediates go to Port Hope to-night.

The game scheduled to-night at Niagara Falls between Tecumseh's of Niagara Falls and Dunnville has been cancelled.

Varsity hope to beat McGill to-night in Montreal in the Inter-collegiate series. Jack Marshall will referee.

Thorpe was Under Contract
CHICAGO, Jan. 31.—Managers of baseball teams who have been telegraphing and writing Jas. Thorpe, the Indian athlete, for his terms, may begin again as Thorpe, it was announced last night by President Johnson of the American League, is not a free agent.

Thorpe is under contract with the Fayetteville, N.C., Club, and it will be necessary to negotiate for his release through the owner of that club. President Johnson received this information in a telegram from Secretary Farrell of the National Association.

In 1910 Thorpe signed a contract with the Rocky Mount, N.C. Club, at \$125 a month. Later he was transferred to Fayetteville, and reserved by that club.

SKATING

The Connaught Cup Competition.
OTTAWA, Jan. 30.—His Royal Highness, the Duke of Connaught has placed in the hands of the Minto Club the deed of gift for the Connaught Cup, the first competition for which will be held under the auspices of the Minto Skating Club, in the Arena, Feb. 13 and 14. The opening paragraph reads: "With a view to the general encouragement and development of skating in combination by pairs and individuals and more particularly with a view to encouragement and development of combined skating along the lines at present approved by the National Skating Association of Great Britain, in the general style and pose approved by the International Skating Union, his Royal Highness the Duke of Connaught, Governor-General of Canada, hereby gives and assigns to the Minto Club, hereinafter mentioned, and their successors in trust, a trophy, to be held by them upon the following trusts, and subject to the following conditions," etc.

The trophy is vested in a board of three trustees to consist of the official secretary of the Governor-General, now Col. Lowther, and two representatives appointed annually by the executive of the Minto Club, at present General MacKenzie and Mr. John Thompson.

The competition is open to teams of four consisting of two ladies and two gentlemen, from any recognized skating club in the world, but all must be bona fide residents of one club. Qualification as an amateur according to the definition of the National Skating Union of Great Britain must be shown to the satisfaction of the trustees.

At least three and not more than seven judges must be selected by the trustees for the competitions, either from amateur or professional skaters.

All expenses incidental to the competitions including the providing of individual prizes for the winning team are to be provided by the Minto Club.

THE PHILLIPS MEETINGS
AT VICTORIA HALL

Both afternoon at 3 o'clock and evening at 8 o'clock, brought out a good audience to hear Pastor Phillips, and those present were not disappointed. Mr. Staundring, who leads the musical programme at the Tabernacle, Hamilton, gave some musical selections most acceptably. The Christians life of faith as exemplified by scripture characters was the subject for the afternoon. The lack of such a life was shown to be due to loss of power and joy as well as future possession in that life and an earnest appeal made for a complete surrender to the will of God no matter how difficult, yet impossible, that faith would seem to the natural thought of man. The faith of Moses' parents was shown, that of his mother, first to hide him from the world, then when she could no longer do this, to put him in the ark and commit him to God. That ark spoke to him of Christ and its present day parallel when the child had to go out to the world and in faith the mother put him in Christ's care. Noah, as one who built an ark into which his house went when judgment came. Enoch, who begat sons and daughters—these were men of faith—Enoch walked with God; it took a walk with God to bring on children. In the evening the three fold ministry of Christ was taken up. Shown in many scrip-

tures, notably in Psalm 23, the atoning work of the cross, when He became the sin bearer and substitute for all who believed on Him and personally had faith in Him as their personal Saviour. Then Psalm 23—The Shepherd—Christ's present ministry, when He was guarding us, seeking to guide us and interceding for us and thirdly as in Psalm 24, when He in the future was coming to forever put away sin—when He would take the throne of His Father David and reign in righteousness.

There are two meetings to-day, afternoon at 3 o'clock and to-night at 8. The closing meeting will be (D. V.) at 4 p. m. on Sunday.

MAN AND THE SOIL.

Dr. E. V. Pierce of Buffalo, author of the Common Sense Medical Adviser, says "why does not the farmer treat his own body as he treats the land he cultivates. He puts back in phosphate what he takes out in crops, or the land would grow poor. The farmer should put back into his body the vital elements exhausted by labor, or by ill-health induced by some chronic disease." Further, he says, "the great value of my Doctor Pierce's Golden Medical Discovery is in its vitalizing power. It gives strength to the stomach and purify to the blood. It is like the phosphates which supply nature with the substances that build up the crops. The far-reaching action of

Doctor Pierce's Golden Medical Discovery is due to its effect on the stomach and organs of digestion and nutrition. Diseases that begin in the stomach are cured through the stomach. A bilious spell is simply the result of an effort made by the liver to catch up when over-worked and exhausted. I have found the 'Discovery' to be unsurpassed as a liver regulator and rich blood-maker."

Miss LORRAINE KENNEDY of Perth, Kansas, says: "I will here add my testimony of the effectiveness of your remedy upon myself. I was troubled with indigestion for two years or more. Doctored with three different doctors besides taking numerous kinds of so-called 'stomach cures' but received no permanent relief. I was run down, could not sleep at night with the pain in my chest, caused by gas on the stomach. Was weak, could eat scarcely anything although I was hungry nearly all the time. About one year and a half ago I began taking your 'Golden Medical Discovery,' and after having taken several bottles am nearly cured of stomach trouble. Can now eat without distress and have gained fifteen pounds in weight. I thank you for your remedy and wish you all success in your good work."

The inaugural meeting of the Parks board was held in the Mayor's Office in the city hall on Saturday afternoon at 4 o'clock. Present were Messrs. Geo. Matthews, F. C. Shutt, F. Grobb, Wm. Glover, L. Gould and J. J. Hawkins.

Secretary Hawkins took the chair and having read a communication from the City Clerk notifying the board that the Mayor and Council had appointed Messrs. F. C. Shutt and Wm. Glover for the term of three years, called upon the meeting to elect a chairman.

Considerable discussion took place on the matter. Mr. Geo. Matthews stated that he would prefer not be re-elected, and read a statement showing that his term of office—four years had exceeded that of one else. Messrs. Cocksbutt and Grobb, ex-chairmen also declined nomination.

It was moved by Wm. Glover seconded by F. Cocksbutt: That E. L. Gould be chairman for the current year. This was unanimously carried and Mr. Gould thereupon took the chair.

All of the members spoke highly of Mr. Matthews' administration, and stated that the retiring chairman had always been courteous and active in the interests of the board, which had made considerable progress under his chairmanship.

Messrs. Hawkins and Bunn were re-appointed secretary and treasurer for the year.

Standing Committees.

Standing committees were elected as follows, the first named to chairman:

Finance—F. Grobb, Mayor Hamilton and J. J. Hawkins.
