HAIR TURNING GRAY OR FALLING?

JUST MIX SAGE TEA AND SULPHUR

It's Grandmother's Recipe for Dandruff and Restoring Color to Hair.

Almost everyone knows that Sage and Sulphur, properly compounded brings back the natural color and lustre to the hair when faded, streaked or gray; also cures dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home which is messy and troublesome. Nowadays skilled chemists do this better than ourselves. By asking at any drug store for the ready-to-use product—called "Wyeth's Sage and Sulphur Hair Remedy"—you will get

a large bottle for about 50 cents. Some druggists make their own but it's usually too sticky, so insist upon getting "Wyeth's" which can be depended upon to restore natural color and beauty to the hair, and is the best remedy for dandruff, dry, feverish, itchy scalp and to stop falling hair.

Folks like "Wyeth's Sage and Sulphur" because no one can positively tell that you darkened your hair, as it does it so naturally and evenly says a well known downtown druggist. You dampen a sponge or soft brush and draw it through your hair taking one small strand at a time. This requires but a few moments, by morning the gray hair disappears and after another application or two is restored to its natural color and looks even more beautiful and glossy than ever.

OTTAWA, Feb. 23—Ottawas and Wanderers played a joke game before the slimmest crowd of the season on Saturday night. It ended in an easy win for the Ottawas by nine goals to three. Builds New Blood Cells

It is estimated that there are over 75,000,000,000 red blood cells in the human body. These red blood cells move in the blood currents, carrying through the arteries each its little load of oxygen, which it transports to the distant tissues, that they may be invigorated and vitalized anew.

When the red blood cells shrivel and waste weakness and disease result, and it is by forming new blood cells that Dr. Chase's Nerve Food restores strength to the weakened and worn-out body.

Miss Marie Voigt, Mildmay, Ont., writes: "Dr. Chase's Nerve Food has proven worth its weight in gold to me. I was pale and thin and nervous, and my system was run down in every way. The skin became a yellow color, and I suffered great misery from piles. By the use of Dr. Chase's Nerve Food my health has been fully restored, I have a good appetite and now feel strong and happy." Working hand in hand with Nature, Dr. Chase's Nerve Food is the surest means of building up a run-down system.

A BLOOD MEDICINE WITHOUT ALCOHOL

Recently it has been definitely proven by experiments on animals that alcohol lowers the germicidal power of the body and that alcohol paralyzes the white corpuscles of the blood and renders them unable to take up and destroy disease germs. Disease germs cause the death of over one-half of the human race.

A blood medicine, made entirely without alcohol, which is a pure glyceric extract of roots, such as Bloodroot, Queen's root, Golden Seal root, Mandrake and Stone root, has been extensively sold by druggists for the past forty years as Dr. Pierce's Golden Medical Discovery. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives life to the blood—the vital force of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter.

Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERNATIVE EXTRACT OF ROOTS, without a particle of alcohol or narcotic.

"It is with the greatest of pleasure, that I write to let you know of the great benefit I received from the use of your medicine and self-treatment at home," writes Mrs. Wm. H. HERRA, of Ludwigsburg, Pa. "I suffered for three years from a running sore. Consulted four doctors but they failed to mend or give relief. Finally I was told I was in consumption and would have to consult a specialist concerning my ear, that the dead bone must be cut out before the wound would heal. A kind friend advised me to write to Dr. Pierce, which I did, and after seven months' use of the treatment the sore is healed, and I enjoy better health than I ever did. I dressed the wound with Dr. Pierce's All-Healing Salve and took the 'Golden Medical Discovery' and 'Pleasant Peppermint' for my troubles. I shall always recommend your medicines."

Dr. Pierce's Pleasant Peppermint regulate liver and bowels.
