LAST OPPORTUNITY GIVEN GERMANY TO MEET ALLIED DEMAND

Conditions of Ultimatum Drawn Up at Final Meeting of Supreme Council Which Expires on May 12.

A despatch from London says:—
The final meeting of the Supreme council was held at 9.45 o'clock Thursday morning at 10 Downing funds for service. Thursday morning at 10 Downing street, when the members affixed their signatures to the ultimatum to all German taxes and charges. Germany must also pay within 25 days marks gold for the first written in English and French, Lloyd George signing first and Briand second the English text, and M. Jasper, the Belgian member, first, Briand second and Lloyd George third the French text. Immediately the signing was over the French delegation took the train for Paris the train for Paris.

Lloyd George then summ Sthamer, the German Ambassador in London, by telephone, and at 11 a.m. formally handed him both documents Both of the documents follow close

the outlines already cabled from day to day. The ultimatum expires the Reparations Commission, but this on May 12, on which date, failing Gerwas not announced officially. man compliance, the French will oc-cupy the Ruhr and the British navy vill demonstrate at German ports.

The outstanding points of the re-parations demand, which was signed by the Reparations Commission, are: (1) Bonds-Series (a), for twelve billion gold marks, must be delivered

by July 1.
(2) Series (b), thirty-eight billions must be delivered by November 1. likely, however, that they will (3) Series (c), eighty-two billions, to "persuasion" by their allies.

PRESIDENT HARDING WILL BE REPRE-

Ambassador Harvey Clothed With Official Authority to Attend Supreme Council—Representatives Will Not Have

Voice in Actual Decisions of Allied Councils.

SENTED ON WORLD POLITICS BOARD

says:—President Harding accepted on policies. Roland W. Boyden, a Boston lawyer, will be an unofficial American representative without a vote in the Reparations Commission, a body created by the Versailles Treaty to assess the German indemnities. Friday the invitation of the allies to depute representatives of the United States to participate in the Supreme Council, the Reparations Commission and the Conference of Ambassadors.

This resumption of participation in the councils of the allies the President aims to carry out without entangling the United States in purely European Hugh C. Wallace, American Ambassador to France, and eventually his successor, Myron Herrick, will be an unofficial American observer without a vote in the Conference of Ambasaffairs. The American representatives will participate in the deliberations, but not in the actual decisions of the sadors, a formally constituted body which works out in detail policies adopted or proposed by the Supreme They will have no power to bind the United States to participation in

President Harding announced the decision of the Administration following the Cabinet meeting at which it was discussed and approved. Shortly afterward Secretary of State Hughes made public the invitation received from the allied Governments and the favorable reply thereto by the United States.

The invitation was conveyed in a message from Mr. Lloyd George, the British Prime Minister, which was Council, which, however, is an unoffi-cial body composed of the heads of received several days ago.

\$50 to \$60; choice springers, \$85 to \$110; lambs, yearlings, \$10 to \$11; do, spring, \$13 to \$13.50; do, new crop, each, \$10 to \$15; calves, good to choice, \$11 to \$18.50; sheep, \$6 to \$9.50; hogs, fed and watered, \$11.25; do, weighed off cars, \$11.50; do, f.o.b., \$10.25; do, country points, \$10.

countess Rhondda, to obtain a seat in the House of Lords as a peeress in her own right have now reached the stage where her petition praying his Majesty to issue to her a writ of summons to sit in the House of Lords has been referred by the King to that body, together with the Attorney-General's report.

It is now being considered by the Committee on Privileges, which is expected to make a report on the matter soon. Should Lady Rhondda's petition be granted some twenty-five other peeresses in their own right would be entitled to the same privilege.

Dominion Expenditure Totals \$406,000,000

A despatch from Ottawa says: The financial statement will show that the total expenditures. of the Dominion in the fiscal year ended March 31st last, amounted to some \$406,000,000, of which \$129,118,279 was for interest on the public debt and \$48,316,000 on capital account public works. The revenue totalled more than \$450,000,000, of which \$162,900,000 was derived from Customs duties. Main estimates so far introduced in the Commons provide for an expenditure of \$613,000,000, of which interest in the public debt sinking fund provision accounts for \$143,000,000 and \$168,000. 000 for the requirements of the Canadian National and Grand Trunk Railways.

Electricity in Queensland.

Queensland has undertaken the pro duction and distribution of electricity on an extensive scale for irrigation by means of wells and numps installed in scores of land holdings.

It's a wise child that remembers its rich relations

Hotel, the Dugre Bakery, the Bouchers destroyed by the flames. The lighting and telephone exystems were put out of commission, and the hamlet is in tarkness, except for the smouldering ruins. The loss will exceed \$100,000. The presumption is that the fire, which originated in the church, was caused by one of the lighted tapers igniting the draperies at the altar.
