THE DAMAGE TO TOWNS

Ottawa, April 27.—Before the orders
of the day were called in the House
yesterday, Hon. Mr. Fielding, Minister
of Finance, read the following telegram,
received by the Governor-General:"Washington, April 25.—Earl Grey,
Ottawa: I am requested by the Presi-
dent of the United States to convey to
the Government of the Dominion of
Canada, from the people of the United
States, their deepest gratitude and most
profound appreciation of the magnifi-
cent contribution which your Govern-
ment has proffered towards the relief
of the distressed citizens of San Fran-
cisco. They feel sure that the Govern-
ment of Canada will understand that
they no less appreciate this generous
proffer because of their conclusion that
outside assistance will be unnecessary."
—(Signed) Durand.Mr. Fielding suggested that the esti-
mate be carried, so that it should, if
necessary, be available hereafter.

Damage in Northern Counties.

News has just been received at San
Francisco of the damage done by the
earthquake of April 18 in the northern
counties of California. In Lakeport,
Lake County, a large portion of the fire
wall of the Lakeview Hotel crashed
through the porch and brick annex.
Several other brick blocks were crack-
ed, chimneys toppled over throughout
the town and show windows of business
houses for the full length of Main street
were scattered. No one was injured. At
Ablon, Mendocino County, the Occiden-
tal Hotel is a wreck. All the big saw
mills in the region will have to shut
down for some time. There were no
lives lost. At Anderson, in Shasta
County, chimneys tumbled down and
windows, dishes and furniture of houses
were demolished. There are many wild
speculations in the north. Slides along the
southern Humboldt Lumber Co.'s rail-
road line did thousands of dollars dam-
age to their dam across Indian Creek.

"Emergency Orders."

Orders have been issued by the offi-
cials of the Carnegie Steel Co. at Pitts-
burg, making all contracts for struc-
tural and other steel material to be
used in the reconstruction of San Fran-
cisco "emergency orders," and giving
them precedence over all other con-
tracts.The C. P. R. steamship Amur, which
was placed at the disposal of merchants
of Vancouver and Victoria by the com-
pany, left Vancouver Wednesday laden
with supplies donated to San Francisco
sufferers. There was only 25 tons of
vacant space, which would be more
than filled at Victoria.

500 Teams Haul Relief Supplies.

Five hundred teams were hauling
supplies to the sixty odd relief depots
Thursday. There is still a scarcity of
sugar and coffee, and an urgent and
pressing need for more blankets, coats
and tents.The Dairyman's Association will fur-
nish milk free to the relief organiza-
tions until May 1.

Jap Emperor Gives \$100,000.

The Emperor of Japan has donated
\$100,000 for the relief of the people of
San Francisco, and the business men
at Tokio and Osaka have contributed
a like sum.In response to an appeal from Sir
Chenung Liang Cheng, the Chinese
Minister at Washington, the Chinese
of Hong Kong yesterday remitted a
first instalment of \$10,000 in gold for
the relief of the sufferers by the San
Francisco disaster.

41 Dead at Santa Rosa.

At Santa Rosa latest figures show 41
dead, 61 injured and 7 missing. Twenty
fires started, but the water supply was
checked, and within three hours the
flames were under control. Santa
Rosa knew nothing of the destruction
of San Francisco until the arrival
from there of a trainload of 1,000 re-
fugees begging for help that could not
be given them.

Consuls Missing.

The Danish consul at San Francisco,
H. H. Birkholm, has not been heard
from since the earthquake. The French
consul at Washington also is still
trying to get trace of the French con-
sul-general at San Francisco, who has
failed to respond to all enquiries di-
rected to him.The United States Government has
declined the \$75,000 subscription to the
relief fund tendered by the Empress
of China, but it is probable that this mon-
ey will be sent direct to Chinese rep-
resentatives in San Francisco for the use
of the homeless Chinese.Nine charitable organizations in
Hong Kong have subscribed \$40,000,
and smaller amounts have been contrib-
uted in other cities.

How to Pay \$300.

Peterboro, April 27.—Peter McAuliffe,
found guilty of manslaughter, was
yesterday morning sentenced to three
years and six months in the Kingston
penitentiary.In the civil action of Robert D. Hill,
of Dunsmuir, against Charles Gow,
seeking \$1,000 damages for the shoot-
ing of his son Thomas, who was killed
by a bullet from Gow's rifle on Aug. 24
last year, the jury returned a verdict in
favor of plaintiff for \$300 and costs.

Hill Orders Rails at Soo.

Sault Ste. Marie, April 27.—James J.
Hill has placed an order for 20,000 tons
of steel rails with the Algoma Steel
Co. for roads in the Canadian North-
west. The company is now working on
a \$1,000-ton contract for the Canadian
Pacific.

Toronto Horse Show.

Toronto, April 27.—The second day
of the Canadian Horse Show saw very
few scratches in any of the classes, and
a very large attendance in the evening.

Preston Coming Back.

London, April 27.—(C. A. P.)—Mr.
Preston in a few days will sail for
Canada.

THE YANKEE CONSUL

One of the most attractive offer-
ings of the present theatrical sea-
son will be the engagement of that
successful comic opera, "The Yan-
kee Consul," which comes to the
Grand Opera House to-morrow (Sat-
urday) night.VERA MICHELENA.
In "The Yankee Consul."The fame of this remarkable of-
fering has preceded it, and theatre-
goers will be enabled to witness the
splendid production, which has cre-
ated a furore in New York, Chicago,
Boston, Philadelphia and San Fran-
cisco. Manager John P. Slocum,
who is directing the tour this sea-
son, has engaged a splendid cast,
numbering seventy-five people, and
headed by Harry Short, a clever
young comedian, and Miss Vera
Michelena in the prima donna role.
The successful run of nine months
duration at the Broadway Theatre
in New York, and of six months at
the Studebaker Theatre, Chicago,
are sufficient criterion of the phenom-
enal popularity of this delightful
comic opera, the basis of which is
laid in the tropical isle of San De-
mingo. Henry M. Blossom, Jr., and
Alfred G. Robyns are the authors of
the play, which threatens to rival
"Ermine" as to its longevity. Dur-
ing the time of its run in New York,
original production, with a real beauty
chorus of fifty pretty girls, will be
seen.

Justified by Merit.

As you know, it is an uncommon
proceeding on our part to emphasize
any remedy as we have
endorsed Bu-Ju.But the more we know of it, the more
earnest we are. All we say is, Bu-Ju
can help anyone suffering from kidney
trouble, as no other remedy can. It
works for itself—shows more plainly
than words its real use to all who
seek a cure.If it is not just as represented, you
can have your money back. Fifty

License Bill Gets Through
With the Greatest
Ever

THAT EDUCATION BILL

Toronto, April 27.—Hon. G. W. Ross,
in the House yesterday, moved in
amendment to the license bill:"That the said bill be not now read
a third time, but be referred back to
the committee of the whole House, with
instructions to amend sub-sections 4,
5 and 6 of section 25, by substituting
the words "a majority" for the words
"three-fifths" wherever the latter oc-
cur in the said section."He supported his motion in a brief
speech, and was replied to by Mr. Han-
na, after which the vote was taken on
the amendment, which was defeated by
64 to 41—a Government majority of 43.
Mr. Rathbun paired with a Liberal,
so his vote must be reckoned with the
Conservatives. Messrs. Racine and La-
brosse, Liberals, would not pair on the
license bill.The third reading of the bill was
then carried unanimously, the Opposi-
tion declining to ask that the same
division be recorded.

Third Readings.

The following bills were read a third
time in the Legislature yesterday: To
amend the Pharmacy Act (Downey);
to amend the County Courts Act
(Foy); respecting the Township of
Easton (Bowman).

The Education Bill.

A discussion took place in committee
on Dr. Fyne's education bill. Mr. Ross
considered the appointment of a super-
intendent of education as another in-
stance of a Minister shifting responsi-
bility on some one else, and confusion
would be created and no good purpose
served.Dr. Fyne, in replying, said there had
been great unrest in educational mat-
ters, and quoted President Louder and
Principal Grant to the effect that the
system was disorganized and disorgani-
zed. Mr. Harcourt combated the idea that
disorganization and unrest was a bad sign.
Rather, he took it, as a healthy indica-
tion of interest and desire for advance-
ment. As to the remarks of President
Louder, Mr. Harcourt asserted that
there was 190 men in the province who
knew more about educational institu-
tions than he did.The Premier said that, assuming the
system was good, the time must come
for a change. The duties of a deputy
minister and a superintendent were as
wide apart as the poles. The latter
would be an expert saturated with all
possible knowledge of the educational
system. He would be able to suggest
where defects were and the means by
which remedies could be applied.Mr. Graham argued that if a super-
intendent was appointed he should not
be a high school inspector, but a man
familiar with public schools.The whole bill went through with
very little criticism. Mr. Ross' principle
objections being to the constitution of
the consultative council, and to the ap-
pointment of a superintendent of edu-
cation. He did not, however, carry
these objections to the point of moving
against the clauses. Mr. Whitney said
the Public Schools Act would be taken
up to-day.

The Soo Guarantee.

Mr. Matheson announced that the
guarantee of \$2,000,000 of the bonds of
the Soo Industries would expire on
Tuesday next. He had every reason to
hope that the province would be reliev-
ed, but provision would have to be made
to renew all or a portion. He intro-
duced a bill which was put through all
the stages, providing for the renewal.
In case the whole loan was not repaid
the Government would hold the securi-
ties of the Algoma Central Railway,
but would release the other securities,
consisting of first mortgage bonds of
the Lake Superior Co., or stock in pro-
portion to the amount taken up.Mr. Matheson will go to New York
Sunday night to arrange with the
Canadian Improvement Co. and the
Mortgage Trust Co. for the payment of
the loan.

License Bill Law To-day.

The Lieutenant-Governor will attend
at the Legislature at 2:30 this afternoon,
to give his assent to the supply bill.Mr. Whitney made the announcement
in the House last night."I suppose the license bill will be as-
sented to," enquired ex-Premier Ross.
"Yes, and any others ready," was Mr.
Whitney's remark.The license bill goes into effect the
moment the official stamp is put on it.
There is very little chance of wind-
ing up the session before May 12.

Miners to Hold a Convention.

Wilkes-Barre, Pa. April 27.—After
hearing the report of the sub-scale
committee, the scale committee of the
anthracite miners yesterday decided to
call a convention of miners to meet in
Scranton, Thursday, May 3. The scale
committee, it is said, was not willing
to take the responsibility of accepting
the operators' plan.President Mitchell last night made
two propositions. The first proposition
asks for an increase in wages ranging
from 5 to 15 per cent, according to the
wages now received. The second pro-
position asks for an advance equal to
10 cents per ton upon the total pro-
duction of coal, to be added to the wages
of employees and apparently in such per-
centage as may be agreed upon.

Sunk in Halifax Harbor.

Halifax, April 27.—The steamer Ha-
vana, which recently returned from a
sealing trip, was sunk in collision in
this harbor last evening at 10:30 by
the coasting steamer Strathcona. The
crew were taken on board the Strath-
cona.

Scottish Emigrants Double.

London, April 27.—(C. A. P.)—Scot-
tish emigration returns show an in-
crease of 100 per cent. for March, 1906,
compared with March, 1904.
