Avoid Trouble at Home.

USE ONLY THE RELIABLE DIAMOND DYES.

It is well known that the ladies of  
Canada often experience trials and tribu-  
lations in the household management.  
These small but irritating troubles can  
be avoided if a little care and common  
sense is exercised. Women who go on  
suffering these little miseries have them-  
selves to blame, as they suffer through  
their own carelessness and inexperience.  
To-day, one great source of annoyance  
in the household is the use of poor imi-  
tation dyes for domestic dyeing. In  
some sections of our land, the ladies  
have lifted up their voice against them  
in a way which cannot be misunderstood.  
These imitation dyes have caused not  
only great loss of material and money,  
but anger and heartache as well. All  
these domestic trials and tribulations are  
avoided when Diamond Dyes are used.  
By their use, work is well and quickly  
done; results are always grand, and the  
colors are brilliant and lasting. Ladies  
who have used Diamond Dyes for the last  
ten years know their great worth and  
possibilities. Advise all imitation dyes,  
and always insist upon getting Diamond  
Dyes from your druggist or dealer.Granby and Canadian Rubber Co's

tist church on Sunday evening, was very  
good. The little girls and boys looked  
well and spoke their parts nicely. The  
managers of the concert deserve the  
thanks of the congregation for their labors  
in training their children. It must have  
required no small amount of ability and  
patience. The music was especially  
good. Why can there not be more  
something like that every Sunday? Of  
course not the same pieces but why can  
there not be a large choir that will in-  
clude the good voices heard on Sunday  
evening, that will take in violins, cornets,  
and enough musical ability to fill the  
church with sweet and powerful music?  
Evidently the talent is in the congrega-  
tion. Why is it not used? It ought to  
be in the choir. BAPTIST.Men's Youths and Boys' Clothing;
